4.1. Annexation of Additional Property. Until all of the Additional Property described on Exhibit "B" has been annexed and subjected to this Declaration, the Declarant may from time to time unilaterally subject to the provisions of this Declaration all or any portion of the real property described in Exhibit "B." Such annexation shall be accomplished by recording a Supplemental Declaration describing the property to be annexed. Such Supplemental Declaration shall not require the consent of the Lot Owners but shall require the consent of the owner of the property to be annexed, if other than Declarant. Any such annexation shall be effective upon the filing for record of such Supplemental Declaration unless otherwise provided therein. Nothing in this Declaration shall be construed to require the Declarant to acquire, annex, or develop any of the property described in Exhibit "B."

4.2. Construction, Marketing and Sales. Declarant and any Builder authorized by the Declarant may maintain and carry on any activity without fee or charge upon the Common Property, any Lot owned by the Declarant, or any other Lot with the consent of the Owner of such Lot, as, in the sole discretion of the Declarant, may be reasonably required, convenient, or incidental to the construction or improvement of the Lots or Common Property and the sale of the Lots, including, but not limited to, business offices, signs, model homes, construction trailers, and sales offices. the voluntary surrender by Declarant, in writing, of the authority to appoint and remove the Association's directors and officers. In the event the Declarant voluntarily surrenders the authority to appoint and remove the Association's directors and officers, the Declarant shall thereafter retain the right to veto any action of the Board of Directors until sixty (60) days following the date on which one hundred percent (100%) of the Lots shown on the final recorded plat or plats for the Community have been conveyed to any Person not constituting the Declarant for residential use.

4.4. Amendments. Until sixty (60) days following the date on which one hundred percent (100%) of the Lots shown on the final recorded plat or plats for the Community have been issued a certificate of occupancy and have been conveyed to any Person not constituting the Declarant or a Builder for residential use, any amendment to the Declaration or Bylaws must be approved in writing by the Declarant prior to becoming effective; and during such time, Declarant shall have the unilateral right to amend the Declaration from time to time without the approval of the Association members.

Any and all special rights and obligations of Declarant set forth in this Declaration or the Bylaws may be transferred or assigned in whole or in part to any other Person, provided the transfer shall not reduce an obligation or enlarge a right beyond that which Declarant has under this Declaration or the Bylaws. No such transfer or assignment shall be effective unless it is in a written instrument signed by Declarant and duly recorded in the Cherokee County, Georgia land records. Any and all rights and obligations of Declarant set forth in this Declaration or the Bylaws may also be terminated in whole or in part by Declarant pursuant to a written instrument signed by Declarant and duly recorded in the Cherokee County, Georgia land records. The rights of the Declarant set forth in the Declaration and the Bylaws shall only terminate in accordance with the provisions the Declaration or Bylaws, and shall not terminate by operation of law or otherwise.

and leasehold and other property interests. Such property shall be accepted by the Association "as is" and thereafter shall be maintained by the Association at its expenses for the benefit of the Owners, subject to the terms of this Declaration and any restrictions set forth in the deed or other instrument transferring such property to the Association. Declarant shall not be required to make any improvements to the property conveyed to the Association, including, without limitation, dredging or removing silt from lakes or ponds. Upon written request of Declarant, the Association shall re-convey to Declarant any portions of the Community originally conveyed by Declarant or its designee to the Association without cost, to the extent (i) conveyed by Declarant or its designee in error; (ii) needed by Declarant or its designees to make adjustments in property lines; or (iii) reasonably determined by Declarant to be needed by Declarant due to changes in the overall scheme of development for the Community.

ARTICLE V. ASSOCIATION MEMBERSHIP AND VOTING RIGHTS

5.1. Membership. Each Owner of any Lot, by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, shall be a member of the Association. This is not intended to include Persons who hold an interest merely as security for the performance of an obligation, and the giving of a security interest shall not terminate the Owner's membership. No Owner, whether one or more Persons, shall have more than one (1) membership per Lot owned. In the event of multiple Owners of a Lot, votes and rights of use and enjoyment shall be as provided in this Declaration and in the Bylaws. Membership shall be appurtenant to and may not be separated from ownership of any Lot. The rights and privileges of membership, including the right to vote and to hold office, may be exercised by a member or the member's spouse, but in no event shall more than one (1) vote be cast for each Lot owned.

5.2. Voting. Members shall be entitled to one (1) equal vote for each Lot owned. When more than one (1) Person holds an ownership interest in any Lot, the vote for such Lot shall be exercised as those Owners determine among themselves. In the absence of such advice, the Lot's vote shall be suspended if more than one (1) Person seeks to exercise it. A member's right to vote shall automatically be suspended during any period in which a member is more than thirty (30) days delinquent on any assessment or charge, and the member shall be ineligible to vote on any matter until the member's account balance has been paid in full and such member's vote shall not be counted for any purpose.

5.3. Entity Members. In the event an Owner is a corporation, partnership, trust, or other legal entity not being a natural person or persons, then any natural person who is an officer, director, or other designated agent of such corporation, partner of such partnership, beneficiary, or other designated agent of such trust, or manager of such other legal entity shall be eligible to represent such entity in the affairs of the Association. Such person's relationship with the Association shall terminate automatically upon the termination of such person's relationship with the entity which is the Owner of the Lot. The membership rights of an Owner which is a corporation, partnership, or

other legal entity shall be exercised by the individual designated from time to time by the Owner in a written instrument provided to the Secretary of the Association.

ARTICLE VI. ASSOCIATION RIGHTS AND RESTRICTIONS

6.1. Association Rights and Restrictions. The Association, acting through its Board of Directors, shall have the right and authority, in addition to and not in limitation of any other right it may have, to:

(a) make and to enforce reasonable rules and regulations governing the use of the Lots, Townhouses, Single-Family Detached Dwellings, Common Property, and Limited Common Property;

(b) enforce the Declaration, Bylaws, and rules and regulations of the Association by imposing reasonable monetary fines and suspending use and voting privileges. These powers, however, shall not limit any other legal means of enforcing such documents or provisions by either the Association or, in an appropriate case, by an aggrieved Owner;

(c) grant permits, licenses, utility easements, and other easements, permits or licenses under, through or over the Common Property, including any Limited Common Property;

(d) designate certain portions of the Common Property or other fixtures and improvements as Limited Common Property;

(e) the right of the Board of Directors to convey all or any portion of the Common Property to any Person upon the written approval of at least two-thirds (2/3) of the total vote of the Association membership; provided, however, in the event such Common Property includes any portion of Limited Common Property, such written approval must be that of at least two-thirds (2/3) of the total vote of the Association membership and the Owner(s) of the Lot(s) that such Limited Common Property has been assigned; provided further, such written approval shall not be required for the Board to re-convey property to the Declarant in accordance with Article IV, Section 4.7 of this Declaration;

(f) control, manage, operate, maintain, replace and, in the Board's discretion, alter or improve all portions of the Community for which the Association is assigned maintenance responsibility under this Declaration;

(g) deal with the Common Property in the event of damage or destruction as a result of casualty loss, condemnation, or eminent domain, in accordance with the provisions of this Declaration;

(i) represent the Owners in dealing with governmental entities on matters related to the Common Property, including the Limited Common Property.

ARTICLE VII. ASSESSMENTS

7.1. Purpose of Assessment. The Association shall have the power to levy assessments as provided herein. Assessments shall be used for the general purposes of promoting the recreation, health, safety, welfare, common benefit, and enjoyment of the Association and the membership, and for expenses of the Association as provided within the Declaration, and as otherwise authorized by the Board.

7.2. Creation of the Lien and Personal Obligation for Assessments. Except as specifically provided herein, each Owner of any Lot, by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association: (i) General Assessments and charges to fund Common Expenses for the general benefit of all Lots; (ii) Townhouse Lot Assessments, if applicable, to fund actual and estimated expenses incurred for the primary benefit of the Townhouse Lots, including without limitation, maintenance required to be performed by the Association with respect to Townhouse Lots as set forth herein; (iii) special assessments, such assessments to be established and collected as hereinafter provided; and (iv) specific assessments, including reasonable fines.

All such assessments, together with charges, interest, costs, and reasonable attorney's fees actually incurred (including post-judgment reasonable attorney fees actually incurred from any prior judgment, if any), shall be a charge on the Lot and shall be a continuing lien upon the Lot against which each assessment is made. Such amounts shall also be the personal obligation of the Person who was the Owner of such Lot at the time when the assessment fell due. Each Owner and the Owner's grantee shall be jointly and severally liable for all assessments and charges due and payable at the time of any conveyance. Assessments shall be paid in such manner and on such dates as may be fixed by the Board. The Board of Directors may, but is not obligated to, permit assessments to be paid in monthly, quarterly, or semi-annual installments. Except as specifically provided in this Article, no Owner may be exempted from liability, or otherwise withhold payment of assessments, for any reason whatsoever.

7.3. Uniform Rate of Assessment and Specific Assessments. General Assessments shall be fixed at a uniform rate for all Lots for which assessments have commenced. Townhouse Lot Assessments shall be fixed at a uniform rate for all Townhouse Lots. Notwithstanding the above, the Board of Directors shall have the power to levy specific assessments against Lots pursuant to this Section as, in its discretion, it shall deem appropriate. Failure of the Board of Directors to exercise its authority under this Section shall not be grounds for any action against the Association

Rec: \$25.00

Patty Baker, Clerk of Superior Court - Cherokee County, GA

ParticipantIDs: 2028400475 SubmitterID: 0848497841

or the Board of Directors and shall not constitute a waiver of the Board's right to exercise its authority under this Section in the future with respect to any expenses, including an expense for which the Board has not previously exercised its authority under this Section. The Board of Directors shall have the power to levy specific assessments as follows:

(a) Except for expenses incurred for maintenance and repair of items which are the Association's maintenance responsibility hereunder, any Common Expenses benefiting less than all of the Lots or disproportionately benefiting all Lots may be specifically assessed equitably among all of the Lots which are benefited according to the benefit received.

(b) Any Common Expenses occasioned by the conduct of less than all of those entitled to occupy all of the Lots or by the licensees or invitees of any Lot may be specifically assessed against such Lot, including, but not limited to, expenses and attorney's fees actually incurred by the Association in enforcing the Declaration, Bylaws or Association rules and regulations, regardless of whether or not an enforcement lawsuit has been filed.

(c) Other specific assessments, including fines, against an Owner and Owner's Lot deemed reasonable by the Board.

7.4. Computation of Operating Budget and General Assessment. Prior to the beginning of each new fiscal year, the Board of Directors shall (1) prepare a budget covering the estimated Common Expenses of the Association for the upcoming new fiscal year and shall fix in the budget the amount of the General Assessment for the upcoming new fiscal year, and (2) deliver a copy of the budget to each Owner at least thirty (30) days prior to the beginning of the new fiscal year. The budget shall not operate as a limitation on expenditures by the Board, but, rather, the budget is merely an estimate of Common Expenses on which the Board may set the General Assessment. The Board may, but is not obligated to, permit the General Assessment to be paid in monthly, quarterly, or semi-annual installments.

The budget may include a capital contribution establishing a reserve fund in accordance with an annual or multi-year reserve budget which takes into account the number and nature of replaceable assets, the expected life of such assets, and the expected repair or replacement costs of the assets. The Board may establish a reserve account for such expected repair or replacement costs, and may fund the reserve account from collected General Assessments. The reserve budget shall not operate as a limitation on the expenditures of funds in the reserve account, but, rather, the Board may spend funds in the reserve account as deemed reasonable by the Board.

The budget and the General Assessment shall become effective unless disapproved by the majority of the total vote of the Association membership at a meeting of the membership held prior to the beginning of the new fiscal year and the written consent of Declarant (so long as Declarant owns any property within the Community). Said meeting may be the annual meeting of the members

Rec: \$25.00

Patty Baker, Clerk of Superior Court - Cherokee County, GA

ParticipantIDs: 2028400475 SubmitterID: 0848497841

if the annual meeting is held prior to the beginning of the new fiscal year or may be at a special meeting requested in accordance with the Bylaws.

If either (1) the membership and Declarant disapprove the budget prior to the beginning of the new fiscal year as provided herein, or (2) the Board fails for any reason to either (a) prepare a budget and fix the amount of the General Assessment for the new fiscal year or (b) deliver the budget to the members, as provided herein, then the budget and General Assessment in effect for the current fiscal year shall continue for the upcoming new fiscal year. In the event the General Assessment is insufficient to cover the actual Common Expenses of the Association during any fiscal year, the Board of Directors, upon ten days notice to the members, may increase the General Assessment during such fiscal year to cover the shortfall.

7.5. Computation of Townhouse Lot Budget and Townhouse Lot Assessment. Prior to the beginning of each new fiscal year, the Board of Directors shall (1) prepare a separate Townhouse Lot budget covering the estimated expenses to be incurred by the Association for the Townhouse Lots for the upcoming new fiscal year and shall fix in the Townhouse Lot budget the amount of the Townhouse Lot Assessment for the upcoming new fiscal year, and (2) deliver a copy of the Townhouse Lot budget to each Townhouse Lot Owner at least thirty (30) days prior to the beginning of the new fiscal year. The Board shall be entitled to set such Townhouse Lot budget to the extent that this Declaration, any supplementary declaration, the Bylaws, or any amendment to the foregoing specifically authorize the Board to assess certain costs as a Townhouse Lot Assessment. The Townhouse Lot budget shall not operate as a limitation on expenditures by the Board, but, rather, such budget is merely an estimate of the Townhouse Lot expenses on which the Board may set the Townhouse Lot Assessment. The Board may, but is not obligated to, permit the Townhouse Lot Assessment to be paid in monthly, quarterly, or semi-annual installments.

The Townhouse Lot budget may include a capital contribution establishing a reserve fund in accordance with an annual or multi-year reserve budget which takes into account the number and nature of replaceable assets, the expected life of such assets, and the expected repair or replacement costs on the Townhouse Lots. The Board may establish a reserve account for such expected repair or replacement costs, and may fund the reserve account from collected Townhouse Lot Assessments. The reserve budget shall not operate as a limitation on the expenditures of funds in the reserve account, but, rather, the Board may spend funds in the reserve account as deemed reasonable by the Board.

The Townhouse Lot budget and the Townhouse Lot Assessment shall become effective unless disapproved by the majority of the Owners of Townhouse Lots at a meeting of the membership held prior to the beginning of the new fiscal year and the written consent of Declarant (so long as Declarant owns any property within the Community). Said meeting may be the annual meeting of the members if the annual meeting is held a prior to the beginning of the new fiscal year or may be at a special meeting requested in accordance with the Bylaws.

If either (1) the membership and Declarant disapprove the Townhouse Lot budget prior to the beginning of the new fiscal year as provided herein, or (2) the Board fails for any reason to either (a) prepare a Townhouse Lot budget and fix the amount of the Townhouse Lot Assessment for the new fiscal year or (b) deliver the Townhouse Lot budget to the Townhouse Lot Owners, as provided herein, then the Townhouse Lot budget and Townhouse Lot Assessment in effect for the current fiscal year shall continue for the upcoming new fiscal year. In the event the Townhouse Lot Assessment is insufficient to cover the actual Townhouse Lot expenses of the Association during any fiscal year, the Board of Directors, upon ten days notice to the members, may increase the Townhouse Lot Assessment during such fiscal year to cover the shortfall.

7.6. Fiscal Year. The fiscal year of the Association may be set by Board resolution or, in the absence thereof, shall be the calendar year.

7.7. Special Assessments. In addition to the other assessments authorized herein, the Association may levy special assessments from time to time to cover unbudgeted expenses or expenses in excess of those budgeted. Special assessments shall be levied against all Lots within the Community, if the special assessment is for Common Expenses, or against the Townhouse Lots, if the special assessment is for Townhouse Lot expenses. Special assessments shall be fixed at a uniform rate for all Lots subject to such special assessment.

Any special assessment levied against all Lots which would cause the total of special assessments levied in one fiscal year against all Lots to exceed the amount of the General Assessment in effect in such fiscal year must be approved by the affirmative vote, written consent, or any combination of affirmative vote and written consent, of at least a majority of the total eligible votes of the Association and the consent of the Declarant (so long as Declarant owns any property within the Community).

Any special assessment levied against the Townhouse Lots which would cause the total of special assessments levied in one fiscal year against the Townhouse Lots to exceed the amount of the Townhouse Lot Assessment in effect in such fiscal year must be approved by the affirmative vote, written consent, or any combination of affirmative vote and written consent, of at least a majority of the votes allocated to the Townhouse Lots and the written consent of Declarant (so long as Declarant owns any property within the Community).

An approved special assessment may be required to be paid during the fiscal year, or alternatively, upon the approval of the Board of Directors, may be paid over a set number of years.

7.8. Capital Contribution Assessments. Upon the conveyance of ownership of a Lot for which a certificate of occupancy has been issued to any Person other than Declarant or a Builder, including all resales, a base capital contribution assessment shall become due and payable to the Association by each new Owner. In addition to, and not in lieu of the base capital contribution assessment, upon the conveyance of ownership of a Townhouse Lot for which a certificate of

Rec: \$25.00

Patty Baker, Clerk of Superior Court - Cherokee County, GA

ParticipantIDs: 2028400475 SubmitterID: 0848497841

occupancy has been issued to any Person other than Declarant or a Builder, including all resales, a townhouse capital contribution assessment shall become due and payable to the Association by each new Owner. The amount of the base capital contribution assessment and the townhouse capital contribution assessment shall be set by the Board of Directors at any time during the year in which this Declaration is recorded. Thereafter, prior to the beginning of each new fiscal year, the Board of Directors may determine the amount of the base capital contribution assessment and the townhouse capital contribution assessment for the upcoming new fiscal year.

In the event the Board does not determine the amount of the base capital contribution assessment and the townhouse capital contribution assessment prior to the beginning of the next fiscal year, then the base capital contribution assessment and the townhouse capital contribution assessment amounts in effect at such time shall, by default, continue for the next fiscal year.

The base capital contribution assessment and the townhouse capital contribution shall not be deemed to be an advance payment of any assessment and may not be paid in lieu of any assessment. The base capital contribution assessment and the townhouse capital contribution shall be the personal obligation of the new Owner and shall constitute a lien against the Lot. Notwithstanding anything to the contrary herein, no base capital contribution assessment or townhouse capital contribution shall be due as a result of a conveyance of a Lot to an Owner's spouse, a person cohabitating with the Owner, or a corporation, partnership, company, or legal entity in which the Owner is a principal.

7.9. Commencement of Assessments. The obligation to pay assessments shall commence as to each Lot on the date of the first conveyance of ownership of such Lot for which a certificate of occupancy has been issued to any Person not constituting Declarant or a Builder, or the actual occupancy for residential purposes of the Lot for which a certificate of occupancy has been issued, whichever is first to occur. The use of a Lot as a model home by Declarant or a Builder shall not constitute occupancy for residential purposes.

7.10. Declarant's Obligation for Assessment. Declarant shall not be liable for the payment of any assessments, including General Assessments, Townhouse Lot Assessments, special assessments or specific assessments, on its unsold Lots. However, Declarant may, but shall not be obligated to, elect to contribute to the Association on an annual basis the difference between the amount of assessments levied on the Lots subject to assessments and the amount of the Association's actual expenditures during the fiscal year (a "Subsidy"). Any Subsidy may be treated, in the Declarant's sole discretion, as either a voluntary contribution or a loan from the Declarant to the Association. Notwithstanding any language to the contrary herein or the Bylaws, any loan from Declarant to the Association shall not require the approval of the members of the Association. A Subsidy may be evidenced by one or more promissory notes from the Association in favor of the Declarant. The execution by the Board of such promissory note or notes from the Association in favor of the Declarant shall not constitute a conflicting interest transaction. The

Rec: \$25.00

Patty Baker, Clerk of Superior Court - Cherokee County, GA

ParticipantIDs: 2028400475 SubmitterID: 0848497841

payment of a Subsidy in any fiscal year shall under no circumstances obligate Declarant to continue payment of a Subsidy in future years.

7.11. Delinquent Assessments. All assessments and related charges not paid on or before the due date shall be delinquent, and the Owner shall be in default.

(a) If any assessment, fine, or charge is not paid in full within ten (10) days of the due date, a late charge equal to the greater of ten dollars (\$10.00) or ten percent (10%) of the amount not paid or such higher amount as may be authorized by law, may be imposed without further notice or warning to the delinquent Owner, and interest at the rate of ten percent (10%) per annum or such higher amount as may be authorized by law, shall accrue from the due date.

(b) If partial payment of an assessment, fine, or charge is made, the amount received may be applied by the Board, in respective order, to post-judgment attorney's fee from any prior judgment, if any, then to costs and attorney's fees not reduced to a judgment, then to interest, then to late charges, then to delinquent assessments and then to current assessments.

(c) If an assessment, fine, or charge due from an Owner remains delinquent and unpaid for more than thirty (30) days from the date due, then a notice of delinquency may be given to that Owner stating that if the unpaid assessment or charge remains delinquent for more than ten (10) days from the date of the notice of delinquency, the Board may accelerate and declare immediately due all of that owner's unpaid installments of the assessment. If the Owner fails to pay all amounts currently due within ten (10) days of the date of the notice of delinquency, the Board may then accelerate and declare immediately due all installments of the assessment without any further notice being given to the delinquent Owner. Upon acceleration, that Owner shall thereby lose the privilege of paying the assessment in installments, unless reinstated in the Board's discretion. The notice of acceleration provided herein may be included in a collection litigation complaint filed against an owner for unpaid assessments and charges.

(d) If an assessment, fine, or charge remains unpaid more than sixty (60) days after the due date, the Association, acting through the Board, may institute suit to collect all amounts due pursuant to the provisions of the Declaration, the Bylaws, and Georgia law, including reasonable attorney's fees actually incurred (and including post-judgment reasonable attorney's fees actually incurred from any prior judgment, if any).

(e) A member's right to vote and right to use the recreational facilities, if any, shall automatically be suspended without notice during any period in which a member is more than thirty (30) days delinquent on any assessment or charge, and the member shall be ineligible to vote on any matter or use the recreational facilities until the member's account balance has been paid in full.

(f) If an assessment, fine, or charge remains unpaid more than thirty (30) days after the due date, the Association, acting through the Board, shall have the right to suspend utilities

Rec: \$25.00

Patty Baker, Clerk of Superior Court - Cherokee County, GA

or other services to the Lot paid for as a Common Expense by the Association, if any. Any costs incurred by the Association in discontinuing and/or reconnecting any service, including reasonable attorney's fees actually incurred, shall be an assessment against the Lot. The utilities or other services shall not be required to be restored until all amounts owed by the Owner have paid in full and the expenses to disconnect and/or reconnect the utilities or other services have been paid in full. An Owner whose utility or service has been suspended hereunder shall not be entitled to use any such utility or service from any source, and any such unauthorized use shall be considered a theft of services.

(g) If an assessment, fine, or charge remains unpaid more than thirty (30) days after the due date, the Association, acting through the Board, may suspend the right of the Owner, including any Occupant of the Owner's Lot and all guests of the Owner or Occupant, to bring or park vehicles on the Common Property, including the streets, drives, driveways, and any other parking area; provided, however, the Board may not limit pedestrian, medical, fire, police or other health, safety, service or emergency vehicle ingress or egress to or from the Lot or deny necessary parking of clearly and properly identified handicapped vehicles used by handicapped Owners, Occupants or guests protected by the Fair Housing Act of 1988. Prior to suspending such vehicular access privileges, the Association shall provide the delinquent Owner written notice via United States First Class Mail or certified mail of its intention to do so not less than ten (10) days prior to the date of such suspension. Following the tenth (10th) day from the date of the mailing of the notice, the right of the Owner, including any Occupant of the Owner's Lot and all guests of the Owner or Occupant, to bring or park vehicles on the Common Property shall be automatically suspended until all amounts owed through the date of the notice are paid in full or unless otherwise agreed to by the Board. Any vehicle of an Owner, including any Occupant of the Owner's Lot and all guests of the Owner or Occupants, brought or parked on the Common Property in violation of the suspension may be immediately towed without further notice to such Owner or notice to such Occupant, guest, or the owner of the vehicle. The Association, acting through the Board, may also enforce such suspension by deactivating vehicular gate access, if any, and through the imposition of fines.

7.12. Statement of Account. Any Owner, Mortgagee, or a Person having executed a contract for the purchase of a Lot, or a lender considering a loan to be secured by a Lot, shall be entitled, upon written request, to a statement from the Association setting forth the amount of assessments due and unpaid, including any late charges, interest, fines, or other charges against such Lot. The Association shall respond in writing within five (5) business days of receipt of the request for a statement; provided, however, the Association may require the payment of a fee as a prerequisite to the issuance of such a statement. Such written statement shall be binding on the Association as to the amount of assessments due on the Lot as of the date specified therein.

ARTICLE VIII. ARCHITECTURAL CONTROLS

8.1. Architectural Standards. No Owner, Occupant, or any other Person, except the Declarant, may make any exterior change, alteration, modification (including exterior painting), or construction on a Lot, the Townhouse, the Single-Family Detached Dwelling, or the Common Property, including the Limited Common Property, nor erect, place or post anything or object which may affect the appearance of a Lot, the Townhouse, the Single-Family Detached Dwelling, or the Common Property, including the Limited Common Property (including, but not limited to, any fence, playground equipment, light (except for reasonable seasonal decorative lights displayed on the Owner's Lot, Townhouse, or Single-Family Detached Dwelling between Thanksgiving and January 15), basketball goal, storm door, exterior sculpture, or fountain), nor place any object in any window which is visible from the exterior of a Townhouse or Single-Family Detached Dwelling, without first obtaining the written approval of the Architectural Control Committee ("ACC").

The standard for approval of all improvements hereunder shall include, but not be limited to: (1) aesthetic consideration, (2) materials to be used, (3) compliance with the Community-Wide Standard, this Declaration, or design standards which may be adopted by the ACC, (4) harmony with the external design of the existing dwellings, Lots and structures, and the location in relation to surrounding dwellings, structures and topography, and (5) any other matter deemed to be relevant or appropriate by the ACC.

Applications for approval of any such architectural modification shall be in writing and shall provide such information as the ACC may reasonably require. If the ACC fails to approve, conditionally approve, or to disapprove such application within forty-five (45) days after the application and such information as the ACC may reasonably require shall have been submitted, its approval will not be required and this Article shall be deemed complied with, unless such construction, modification or improvement otherwise is in violation of the Declaration, the Bylaws, the design standards, the Association's rules and regulations, or applicable zoning ordinances.

The ACC shall be the sole arbiter of the application and may withhold approval for any reason whatsoever, including purely aesthetic considerations. The Association, acting through the Board, shall be entitled to stop any construction or modification which is not in conformance with approved plans. The ACC may publish design standards for exterior alterations or additions, and any request in compliance therewith shall be approved. The design standards may contain general provisions applicable to all of the Community, as well as specific provisions which vary from one (1) portion of the Community to another depending upon the location, unique characteristics, and intended use.

This Article, including, but not limited to, the requirement to obtain ACC approval, shall not apply to the activities of the Declarant, including any activity performed by or on behalf of the Declarant.

8.2. Architectural Control Committee.

(1) Until sixty (60) days following the date on which one hundred percent (100%) of the Lots shown on the final recorded plat or plats for the Community have been issued a certificate of occupancy and have been conveyed to any Person not constituting Declarant or a Builder for residential use, the Declarant shall be the sole member of the ACC and shall have the exclusive authority to administer and enforce architectural controls under this Article. Declarant's rights under this Article may be assigned in whole or in part. The Declarant shall further have the right, but not the obligation, to establish subcommittees to exercise any right granted to Declarant hereunder.

(2) Upon the expiration of Declarant's authority to control architectural review for the Community, the Board of Directors shall appoint the members of the ACC. The ACC shall thereafter constitute a standing committee of the Association, and the ACC shall consist of the Board unless the Board delegates to other Persons the authority to serve on the ACC. The chairperson of the ACC shall be a Board member.

(3) The ACC shall have the authority to select and employ professional consultants to assist it in discharging its duties, the cost of such consultants to be paid by the Owner of any Lot for which an application has been submitted for approval. The Owner of any such Lot shall be responsible for paying the full costs of each review, whether or not the submitted application is approved by the ACC, and the ACC may require payment of all such costs prior to approval of the application. The ACC also may charge reasonable fees to cover the cost of review or inspections performed hereunder. At any time during the review process, so long as the Declarant owns any property described in Exhibit "A" or has the unilateral right to annex Additional Property to this Declaration, the Declarant shall have the power to veto any decision taken by the ACC.

(4) The ACC may allow encroachments onto the Common Property as it deems acceptable.

8.3. Appeal. In the event the ACC disapproves any application or part thereof, an Owner shall have the right to appeal the ACC's decision to the Board of Directors. Such appeal must be in writing, contain all information the Owner would like the Board to consider, and be mailed to the Association by certified mail, return receipt requested. The Board shall rule on the appeal within thirty (30) days of receiving written notice requesting an appeal from the Owner. If the Board fails to render a decision on such appeal within thirty (30) days after the appeal and such information as the Board may reasonably require shall have been received, the ACC's decision shall be deemed

Rec: \$25.00

Patty Baker, Clerk of Superior Court - Cherokee County, GA

overturned and this Article shall be deemed complied with, unless such construction, modification or improvement otherwise is in violation of the Declaration, the Bylaws, the design standards, the Association's rules and regulations, or applicable zoning ordinances.

In ruling on the appeal, the Board shall consider all relevant materials presented to it by either the Owner or the ACC, the decision of the ACC, and the application of the Owner to the ACC. The Board of Directors shall have the final authority to approve, disapprove, or conditionally approve or disapprove the appeal of the Owner. If the Board does not receive written notice from the Owner by certified mail requesting an appeal within fourteen (14) days from the date of the ACC's notice to the Owner of its decision, the decision of the ACC shall become final and all rights of appeal shall terminate.

All decisions of the Declarant-controlled ACC shall be final, and there shall be no appeals of decisions of the Declarant-controlled ACC.

8.4. Limitation of Liability. Review and approval of any application pursuant to this Article may be made on any basis, including solely the basis of aesthetic considerations, and neither the Declarant, the Association, the Board, the ACC, nor any member of the foregoing shall bear any responsibility for ensuring the design, quality, structural integrity or soundness of approved construction or modifications, nor for ensuring compliance with building codes, zoning regulations and other governmental requirements. Neither the Declarant, the Association, the Board, the ACC, or any member of any of the foregoing shall be held liable for any injury, damages or loss arising out of the manner, design, or quality of approved construction or modifications to any Lot, nor may any action be brought against the Declarant, Association, the Board, the ACC, or any member thereof, for any such injury, damage, or loss. Neither the Declarant, the Association, the Board, the ACC, nor any member thereof, shall be liable to any Person for any reason whatsoever for any injuries or damages whatsoever relating in any way to the approval, disapproval, conditional approval, or the failure to approve or deny any application submitted to it pursuant to the terms of this Article.

8.5. Condition of Approval. As a condition of approval of a requested architectural change, modification, addition, or alteration, an Owner, on behalf of himself or herself and his or her successors-in-interest, shall assume all responsibilities for maintenance, repair, replacement and insurance of such change, modification, addition, or alteration, unless otherwise agreed to in writing by the ACC. It is the responsibility of every Owner of a Lot to determine for himself or herself what architectural modifications have been made to his or her Lot by any predecessor-in-interest. In the discretion of the ACC or Board, an Owner may be made to verify such condition of approval by written instrument in recordable form acknowledged by such Owner on behalf of himself or herself and all successors-in-interest.

8.6. No Waiver of Future Approvals. Each Owner acknowledges that the members of the Board and the ACC will change from time to time and that interpretation, application, and

Rec: \$25.00

Patty Baker, Clerk of Superior Court - Cherokee County, GA

ParticipantIDs: 2028400475 SubmitterID: 0848497841

enforcement of the architectural standards may vary accordingly. The approval of the Declarant, the Board or the ACC of any proposals, plans, and specifications or drawings for any work done or proposed, or in connection with any other matter requiring the approval of the Declarant, the Board or the ACC, shall not constitute a waiver of any right to withhold approval or consent as to any similar proposals, plans and specifications, drawings, or matters whatever subsequently or additionally submitted for approval or consent.

8.7. Enforcement. Any construction, alteration, or other work done in violation of this Article, the Declaration, the Bylaws, the Design Standards or any applicable zoning regulations shall be deemed to be nonconforming. Upon written request from the Declarant or the Board, a violating Owner shall, at the Owner's sole cost and expense, remove such nonconforming construction, alteration, or other work and restore the property to substantially the same condition as existed prior to such construction, alteration or work. Should the Owner fail to do so, the Declarant, the Board, or their designees shall have the right, in addition to all other available remedies, to enter the property, remove the violation and restore the property, or obtain a court order compelling the violating Owner to do so. All costs thereof, including reasonable attorney's fees actually incurred, may be assessed against such Lot, regardless of whether or not litigation is filed.

In addition to the above, the Board shall have the authority and standing, on behalf of the Association, to impose reasonable fines and to pursue all legal and equitable remedies available to enforce the provisions of this Article and its decisions or those of the ACC. All costs of any such action, including reasonable attorney's fees actually incurred, may be assessed against such Lot. Furthermore, the Board shall have the authority to record in the Cherokee County, Georgia land records notices of violation of the provisions of this Article. The Board may also pursue any other enforcement option set forth in this Declaration.

8.8. Commencement and Completion of Construction. All improvements approved by the Declarant or the ACC hereunder must be commenced within ninety (90) days from the date of approval. If not commenced within such time, then such approval shall be deemed revoked by the Declarant or the ACC, unless the Declarant or the ACC gives a written extension for commencing the work. Additionally, except with written Declarant or ACC approval otherwise, and except for delays caused by strikes, fires, national emergencies, critical materials shortages or other intervening forces beyond the control of the Owner, all work approved by the Declarant or the ACC hereunder shall be completed within ninety (90) days of commencement. This Section shall not apply to any construction or modification performed by or on the behalf of the Declarant.

ARTICLE IX. USE RESTRICTIONS

Each Owner of a Lot shall be responsible for ensuring that the Owner's family, guests, tenants, and Occupants comply with all provisions of this Declaration, the Bylaws, and the rules

Rec: \$25.00

Patty Baker, Clerk of Superior Court - Cherokee County, GA

ParticipantIDs: 2028400475 SubmitterID: 0848497841

and regulations of the Association. Furthermore, each Owner and Occupant shall always endeavor to observe and promote the cooperative purposes for which the Association was established. In addition to any rights the Association may have against the Owner's family, guests, tenants, or Occupants, the Association may take action under this Declaration against the Owner as if the Owner committed the violation in conjunction with the Owner's family, guests, tenants, or Occupants.

9.1. Residential Use. Each Lot shall be used for residential purposes only, and no trade or business of any kind may be conducted in or from a Lot or any part of the Community, including business uses ancillary to a primary residential use, except that the Owner or Occupant residing in a dwelling on a Lot may conduct such ancillary business activities within that dwelling so long as (1) the existence or operation of the business activity is not apparent or detectable by sight, sound, or smell from the exterior of the dwelling; (2) the business activity does not involve visitation of the Lot by employees, clients, customers, suppliers, or other business invitees; provided, however, this provision shall not preclude delivery of materials or items by United States Postal delivery or by other customary parcel delivery services (U.P.S., Federal Express, etc.); (3) the business activity conforms to all zoning requirements for the Community; (4) the business activity does not increase traffic in the Community; (5) the business activity does not increase the insurance premium paid by the Association or otherwise negatively affect the ability of the Association to obtain insurance coverage; and (6) the business activity is consistent with the residential character of the Community and does not constitute a nuisance or a hazardous or offensive use, or threaten the security or safety of other residents of the Community, as may be determined in the Board's sole discretion.

The terms "business" and "trade," as used in this provision, shall be construed to have their ordinary, generally accepted meanings, and shall include, without limitation, any occupation, work, or activity undertaken on an ongoing basis which involves the provision of goods or services to persons other than the provider's family and for which the provider receives a fee, compensation, or other form of consideration, regardless of whether: (i) such activity is engaged in full or part-time; (ii) such activity is intended to or does generate a profit; or (iii) a license is required therefor. Short-term rentals, transient tenants, and any other service utilized to temporarily rent Lots as accommodations to guests or tenants (for example, Airbnb, HomeAway, VRBO, or other similar services) are expressly prohibited. Such rental arrangements shall be considered a business activity regardless if the Owner resides at the Lot.

Notwithstanding the above, the use of a Lot by an on-site management company operating on behalf of the Association shall not be considered a trade or business within the meaning of this Article. Further, the activities of the Declarant or any Builder, or any Person acting on behalf of Declarant or any Builder, shall not be subject to this Section.

9.2. Number of Occupants.

(a) The maximum number of occupants in a dwelling on a Lot shall be limited to two (2) people per bedroom in the dwelling as originally constructed. "Occupancy," for purposes hereof, shall be defined as staying overnight in a dwelling for a total of more than thirty (30) days, either consecutive or nonconsecutive, in any calendar year. Upon written application, the Board shall grant variances to this restriction to comply with provisions of the Fair Housing Amendments Act of 1988 or any amendments thereto.

(b) If an Owner of a Lot is a corporation, partnership, trust or other legal entity not being a natural person, the entity shall designate in writing to the Board the name(s) of the natural person(s) who will occupy the dwelling on the Lot who must have a significant relationship with the entity; provided, however, in the event the corporation, partnership, trust or other legal entity not being a natural person, or any officer, director, member, employee, trustee, beneficiary, partner or agent of such legal entity, receives any consideration or benefit, including, but not limited to, a fee, service, gratuity, or emolument from or on behalf of the designated person(s), then such arrangement shall be considered leasing for purposes of this Declaration and the Owner shall be required to comply with Article X of this Declaration. The designated person(s) to occupy the dwelling may not be changed, added to, or modified more frequently than once every two (2) years.

9.3. Vehicles and Parking. No Owner or Occupant may keep more than a reasonable number of vehicles per Lot at any time. The Board may adopt reasonable rules limiting the number of vehicles which may be parked on a Lot and such other reasonable rules governing the parking of vehicles within the Community. Vehicles may only be parked in garages, driveways or other areas authorized in writing by the Board. Vehicles shall not be parked on any lawn, yard, or street; provided, however, the Board shall be authorized, but not required, to adopt rules and regulations permitting temporary parking of vehicles on the street.

Garage doors shall remain closed at all times, except for necessary use, ingress, and egress. Each garage should be maintained in such a manner that parking for the maximum number of motor vehicles for which it was originally designed to hold is allowed and possible. Vehicles shall not be parked in a driveway unless and until the maximum number of vehicles are parked in the garage.

Disabled and stored vehicles are prohibited from being parked in the Community except in garages. For purposes of this Section, a vehicle shall be considered "disabled" if it does not have a current license tag or is inoperable. A vehicle shall be considered "stored" if it remains in a location, other than in a garage, without prior written Board permission, for fourteen (14) consecutive days or longer or if it is covered for more than two (2) consecutive days with a car cover or tarp.

The notice shall include the name and telephone number of a person to contact regarding the alleged violation and shall include the name and telephone number of the person or entity which will do the towing or booting. If twenty-four (24) hours after such notice is placed on the vehicle, or three (3) days after the notice has been sent to the owner, the violation continues or thereafter occurs again within six (6) months of such notice, the vehicle may be towed or booted in accordance with the notice, without further notice to the vehicle owner or user.

If a vehicle is parked in a fire lane, is blocking another vehicle or access to another Owner's or Occupant's Lot or dwelling, is obstructing the flow of traffic, or otherwise creates a hazardous condition, no notice shall be required and the vehicle may be towed immediately. If a vehicle is towed or booted in accordance with this Section, neither the Association nor any director, officer or agent of the Association shall be liable to any person for any claim of damage as a result of the towing or booting activity. The Association shall have no obligation to remove or cause to be removed any animal from the Community.

Any Owner or Occupant who keeps or maintains any animal on any portion of the Community shall be deemed to have indemnified and agreed to hold the Association, its directors, officers, and agents free and harmless from any loss, claim or liability of any kind or character whatever arising by reason of keeping or maintaining such animal within the Community.

9.8. Abandoned Personal Property. Personal property is prohibited from being stored, kept, or allowed to remain for a period of more than twenty-four (24) hours upon any portion of the Common Property without prior written Board permission. Neither the Declarant, the Association, nor any director, officer or agent thereof shall be liable for any damage or injury resulting from such use unless such damage or injury is caused solely by the willful acts or gross negligence of the Declarant, the Association, or their respective agents or employees.

9.10. Prohibition of Nuisance and Noise. Noxious, destructive, offensive, or unsanitary activity shall not be carried on within the Community. No Lot Owner or Occupant may use or allow the use of the Lot or any portion of the Community at any time, in any way, which may endanger the health or property of other Occupants, unreasonably annoy, disturb or cause embarrassment or discomfort to other Owners or Occupants, or, in the Board's discretion, constitute a nuisance. The Board of Directors shall have the right, but not the obligation, to negotiate with, contract with, and supervise, providers of Trash Collection Services. In the event the Association does provide Trash Collection Services, the costs of Trash Collection Services shall be a common expense of the Association. ARTICLE X. LEASING

10.1. Definition. "Leasing," for purposes of the Declaration, is defined as the regular, exclusive occupancy of a Lot by any person or persons other than the Owner; provided, however, leasing shall not include occupancy by the spouse, child or parent of an Owner and shall not include the occupancy by a roommate of an Owner who occupies the Lot as such Owner's primary residence. Except as provided herein, the leasing of Lots, including the residences thereon, is hereby prohibited.

10.2. Leasing Provisions. Leasing of Lots shall be governed by the following provisions:

(a) General. Any Owner who desires to lease such Owner's Lot, including the residence thereon, may do so only if the Owner has applied for and received from the Board of Directors a "Leasing Permit. Such a permit, upon its issuance, will allow an Owner to lease his or her Lot provided that such leasing is in strict accordance with the terms of the permit and this Article. The Board of Directors shall have the authority to establish conditions as to the duration and use of such permits. All permits shall be valid only as to a specific Lot Owner and Lot and shall not be transferable between either Lots or Lot Owners.

(b) Leasing Permits. An Owner's request for a Leasing Permit shall be approved if current, outstanding Leasing Permits have not been issued for more than ten percent (10%) of the Lots within the Community. A Leasing Permit shall be automatically revoked upon the happening of any of the following events: (1) the sale, foreclosure, or transfer of the Lot (excluding sales or transfers to an Owner's spouse, a person cohabitating with the Owner, or a corporation, partnership, company, or legal entity in which the Owner is a principal); (2) the failure of a Lot Owner to lease his or her Lot within six months of the Leasing Permit having been issued; (3) the failure of a Lot Owner to have his or her Lot leased for any consecutive six month period thereafter; or (4) the occurrence of the date referenced in a written notification by the Owner to the Association that the Owner will, as of said date, no longer need the Leasing Permit.

If current Leasing Permits have been issued for ten percent (10%) of the Lots in the Community, no additional Leasing Permits shall be issued until the number of outstanding current Leasing Permits falls below ten percent (10%) of the Lots in the Community. Owners who have been denied a Leasing Permit shall automatically be placed on a waiting list for a Leasing Permit and shall be issued a Leasing Permit if they so desire when the number of current outstanding Leasing Permits issued falls to less than ten percent (10%) of the Lots in the Community.

(c) Notice. At least seven (7) days prior to entering into the lease of a Lot, the Owner shall provide the Board of Directors with a copy of the proposed lease and such other information as the Board may reasonably require. The Board may approve or disapprove the form of said lease. In the event a lease form is disapproved, the Board shall notify the Owner of the requisite action to be taken in order to bring the lease form into compliance with the Declaration, any rules and regulations adopted pursuant thereto, and any criteria determined by the Board. Within ten (10) days from the execution of the lease by both parties, the Owner shall provide the Board with a copy of the executed lease and the names and phone number of the lessees. Nothing contained in this Section shall permit the Board to approve or deny a lessee.

(d) General. Lots may be leased only in their entirety; no fraction or portion may be rented. There shall be no subleasing of Lots or assignment of leases unless approved in writing by the Board. All leases shall be for a period of at least one (1) year unless otherwise approved in writing by the Board. The Lot Owner must provide the lessee copies of the Declaration, Bylaws, and Association rules and regulations.

(e) Liability for Assessments and Compliance with Declaration, Bylaws, and Rules and Regulations. Any lease of a Lot shall be deemed to contain the following provisions, whether or not expressly therein stated, and each Owner covenants and agrees that any lease of a Lot shall contain the following language and agrees that if such language is not expressly contained therein, then such language shall be incorporated into a lease by existence of this covenant on the Lot. Any lessee, by occupancy of a Lot under the definition of "leasing" stated herein, agrees to the applicability of this covenant and incorporation of the following language into the lease.

(i) Liability for Assessments. Lessee agrees to be personally obligated for the payment of all assessments and all other charges which become due as a consequence of lessee's activities, including, but not limited to, activities which violate provisions of the Declaration, the Bylaws, or the rules and regulations adopted pursuant thereto. The above provision shall not be construed to release the Lot Owner from any obligation, including the obligation for assessments, for which he or she would otherwise be responsible.

Additionally, when a Lot Owner who is leasing his or her Lot fails to pay any assessment or any other charge for a period of more than thirty (30) days after it is due and payable, then the delinquent Lot Owner hereby consents to the assignment of any rent received from the lessee during the period of delinquency, and, upon demand by the Board of Directors, lessee shall pay to the Association all unpaid annual and special assessments and other charges, as lawfully determined and made payable during the remaining term of the lease and any other period of occupancy by lessee following such demand. All such payments made by lessee shall reduce, by the same amount, lessee's obligation to make monthly rental payments to lessor. If lessee fails to comply with the Board's demand to pay assessments or other charges to the Association, lessee shall be personally obligated to pay to the Association all late charges, fines, interest, and costs of collection, including, but not limited to, reasonable attorney's fees actually incurred, to the same extent lessee would be required to make such payments to the Association if lessee were the Owner of the premises during the term of the agreement and any other period of occupancy by lessee, and including all amounts paid by lessee to lessor following the date of such demand from the Board.

(ii) Compliance with Declaration, Bylaws, and Rules and Regulations. Lessee shall abide by and comply with all provisions of the Declaration, Bylaws, and rules and regulations adopted pursuant thereto and shall control the conduct of all other occupants and guests in order to insure compliance with the foregoing. Lessee acknowledges that the violation by lessee or any occupant living with lessee of any provision of the Declaration, Bylaws, or rules and regulations adopted thereunder shall constitute a default under this lease. Owner shall cause all occupants of his or her Lot to comply with the Declaration, Bylaws, and the rules and regulations adopted pursuant thereto, and is responsible for all violations and losses caused by such occupants, notwithstanding the fact that such occupants of the Lot are fully liable and may be sanctioned for any violation of the Declaration, Bylaws, and rules and regulations adopted pursuant thereto. If the lessee, or a person living with the lessee, violates the Declaration, Bylaws, or a rule and regulation for which a fine is imposed, such fine may be assessed against the lessee and/or the Owner; provided, however, if a fine is not paid by the lessee within the time period set by the Board of Directors, the Owner shall pay the fine upon notice from the Board of the lessee's failure to do so. Unpaid fines shall constitute a lien against the Lot. Any lessee charged with a violation of the Declaration, Bylaws, or rules and regulations adopted pursuant thereto is entitled to the same procedure to which an Owner is entitled prior to the imposition of a fine or other sanction.

Any violation of the Declaration, Bylaws, or rules and regulations adopted pursuant thereto by lessee, any occupant, or any person living with lessee is deemed to be a violation of the terms

of the lease and authorizes the Owner to terminate the lease without liability and to evict the lessee in accordance with Georgia law. The Owner hereby delegates and assigns to the Association, acting through the Board, the irrevocable power and authority of enforcement against the lessee for breaches resulting from the violation of the Declaration, Bylaws, and the rules and regulations adopted pursuant thereto, including the irrevocable power and authority to evict the lessee on behalf and for the benefit of the Owner, in accordance with the terms hereof, or to require the Owner to do so. In the event the Association proceeds to evict the tenant, any costs, including attorney's fees and court costs, associated with the eviction shall be specially assessed against the Lot and the Owner thereof, such being deemed hereby as an expense which benefits the leased Lot and the Owner thereof.

10.3. Applicability of this Article. Except as specifically provided herein, this Article shall not apply to any leasing transaction entered into by or on behalf of the Declarant or the Association.

ARTICLE XI. MAINTENANCE RESPONSIBILITY

11.1. Association's Responsibility of Common Property. The Association shall maintain and keep in good repair the Common Property. This maintenance shall include, without limitation, maintenance, repair, and replacement of all landscaping, grass areas, private streets, paving, mail kiosk, pavilion, and other improvements situated on the Common Property. The Association shall also maintain and keep in good repair all water and sewer pipes or facilities which serve only the Common Property, and any lift stations and underground water retention areas serving the Community, to the extent that such pipes and facilities are not maintained by public, private, or municipal utility companies. The Association shall maintain the detention/retention ponds and entry areas that serve the Community. Such maintenance shall be performed consistent with this Declaration and the Community-Wide Standard established pursuant hereto.

11.2. Association's Responsibility for Landscaping. The Association shall maintain and keep in good repair all landscaping installed by or on behalf of the Declarant or the Association located on the Common Property, Limited Common Property, Single-Family Detached Lots, or Townhouse Lots, which shall consist of and be limited to: (i) mowing, edging, weeding, trimming, and keeping any planting beds in good condition and free of weeds; and (ii) replacement of pine straw or other ground cover on a schedule determined by the Board. Notwithstanding the foregoing, in the event a fence is installed on an Owner's Single-Family Detached Lot or Townhouse Lot, the Owner of such Lot shall be responsible for the maintenance of all landscaping located within the enclosed area or Courtyard; provided, however, the Association may maintain the landscaping located within such enclosed areas or Courtyards if the Board determines that it would be in the best interest of the Association to do so, and in such event, the Owner shall provide the Association with access to such enclosed area(s).

11.3. Association's Responsibility for Townhouses. The Association shall maintain and keep in good repair certain portions of the exteriors of the Townhouses and certain portions of the Limited Common Property assigned to one or more the Townhouses, which shall consist of and be limited to: (i) exterior surfaces of garage doors, excluding any glass surfaces, windows, window frames and casings and locks; (ii) all roofs, downspouts and gutters; and (iii) all exterior building surfaces with the exception of hardware and glass, including, without limitation, periodic painting, staining or pressure washing of the same (including periodic painting or staining of the exterior surface of entry doors and door frames), as appropriate on a schedule determined by the Board; provided, however, the Association shall not be responsible for waterproofing foundations either above or below grade.

The Association's maintenance responsibility shall specifically exclude the following, all of which shall be the responsibility of the Owner of the Townhouse Lot: (i) steps, decks (whether enclosed or not) and deck surfaces, terraces, patios (whether enclosed or not) and patio surfaces and landscaping within the patios, planters and courtyards, if any, of the Townhouse Lots; (ii) HVAC or similar equipment located outside the Townhouse structure; (iii) all doors, including screen and storm doors, hinges, frames and door frames and hardware which are part of the entry system (except for periodic painting or staining of the exterior surfaces of entry doors and door frames); (iv) hose bibs contained in exterior walls of a dwelling structure located on a Townhouse Lot; (v) lighting fixtures pertaining to a particular Townhouse and being located outside an entryway or in a garage; (vi) window screens, window frames, casings, locks and glass; (vii) foundations and footings, including waterproofing; (viii) pipes, wires, ducts, lines, conduits or other apparatus which serve only one (1) Townhouse Lot whether located within or outside of the Townhouse Lot's boundaries (including all gas, electricity, water, sewer or air conditioning pipes, wires, ducts, lines, conduits or other apparatus) (ix) the fire sprinkler system installed in the Townhouses. The Board of Directors may promulgate rules setting forth the extent of maintenance to be performed by the Association and may assume responsibility for providing additional maintenance as long as Townhouse Lots have equal rights to maintenance.

11.4. General. Subject to the maintenance responsibilities herein provided, any maintenance or repair performed by an Owner or Occupant on or to the Common Property or any other area within the Community which is the Association's responsibility hereunder shall be performed at the sole expense of such Owner or Occupant, and the Owner or Occupant shall not be entitled to reimbursement from the Association even if the Association accepts the maintenance or repair. Additionally, in the event an Owner or Occupant performs such maintenance or repair, the Association may require the Owner or Occupant to restore such property to substantially the same condition as it existed prior to such maintenance or repair or may fine the Owner or Occupant in accordance with the terms of this Declaration.

The Association shall not be liable for injury or damage to person or property caused by the elements or by the Owner of any Lot, or any other Person, or resulting from any utility, rain, snow or ice which may leak or flow from any portion of the Community or from any pipe, drain,

conduit, appliance or equipment which the Association is responsible to maintain hereunder. The Association shall not be liable to the Owner of any Lot or such Owner's Occupant, guest, or family, for loss or damage, by theft or otherwise, of any property which may be stored in or upon any of portion of the Community. The Association shall not be liable to any Owner, or any Owner's Occupant, guest or family for any damage or injury caused in whole or in part by the Association's failure to discharge its responsibilities under this Article where such damage or injury is not a foreseeable, natural result of the Association's failure to discharge its responsibilities. No diminution or abatement of assessments shall be claimed or allowed by reason of any alleged failure of the Association to take some action or perform some function required to be taken or performed by the Association under this Declaration, or for inconvenience or discomfort arising from the making of repairs or improvements which are the responsibility of the Association, or from any action taken by the Association to comply with any law, ordinance, or with any order or directive of any municipal or other governmental authority.

If the Board determines that the need for maintenance or repair is in the Common Property or any other area within the Community which is the Association's responsibility hereunder, and is caused through the actions or inactions of any Owner or Occupant, or his or her family, guests, lessees or invitees, then the Association may assess the cost of any such work against the Owner's Lot.

11.5. Townhouse Lot Owner's Responsibility. Except as specifically provided in Section 11.2 and 11.3 above, each Owner of a Townhouse Lot shall maintain and keep in good repair, condition, and order the Owner's Lot, the Townhouse located on such Owner's Lot, the Limited Common Property assigned to such Owner's Lot, and all structures located on such Owner's Lot and Limited Common Property assigned to such Owner's Lot. Without limiting the generality of the foregoing, each Owner is specifically responsible for: (i) driveways, walkways, and front walks providing access to a Townhouse or Lot; (ii) landscaping within any patio, planter, or courtyard, if any, attached to and/or serving a Townhouse or Lot; (iii) all portions of the heating and air conditioning system serving a Townhouse or Lot, including the compressor and any vents, electrical lines or other pipes or lines related thereto, whether or not located on the Owner's Lot; (iv) all glass surfaces; (v) all window and door hardware; (vi) exterior lighting attached to a Townhouse; (vii) any pipe, line, conduit, structure, or other apparatus serving only one (1) Lot, whether or not located on the Owner's Lot; (viii) utility boxes serving an Owner's Lot; (ix) any landscaping located within any fenced area on a Lot or the Limited Common Property assigned to such Owner's Lot; (x) any additional landscaping installed by or on behalf of an Owner; (xi) tree roots, including, but not limited to, tree roots entering into or otherwise affecting a pipe, line, conduit, structure, or other apparatus serving only one (1) Lot; (xii) replacement of any dead vegetation located on the Owner's Lot or Limited Common Property assigned to the Owner's Lot; (xiii) foundations and footings of the Townhouse located on a Lot, including waterproofing, and (xiv) the fire sprinkler system installed in a Townhouse.

Such maintenance shall be performed consistent with this Declaration and the Community-Wide Standard established pursuant hereto. Each Owner shall perform the Owner's responsibility hereunder in such manner so as not to unreasonably disturb other Owners. In performance of such maintenance responsibilities hereunder, the Owner shall comply with all other provisions of this Declaration, including, but not limited to, Article VIII of this Declaration. Each Owner shall also have the obligation to promptly report to the Association or its agent any defect or need for repairs, for which the Association is responsible to maintain, repair, and/or replace.

11.6. Single-Family Detached Lot Owner's Responsibility. Except as may be provided in Section 11.1 and 11.2 above, each Owner of a Single-Family Detached Lot shall maintain and keep in good repair, condition, and order the Owner's Lot, the Single-Family Detached Dwelling located on such Owner's Lot, the Limited Common Property assigned to such Owner's Lot, any landscaping located within any fenced Courtyard area on a Single-Family Detached Lot, unless assumed by the Association as provided in Section 11.2 above, any Courtyard Fence serving the Lot, and all structures located on such Owner's Lot and Limited Common Property assigned to such Owner's Lot. Such maintenance shall include, but not be limited to, exterior painting, repairs, and mowing, edging, weeding, trimming, and keeping planting beds in good condition and free of weeds any area of the Lot enclosed by fencing. In addition, except for sidewalks, which shall be the responsibility of the Association until acceptable by a governmental authority, agency, or municipality, each Owner of a Single-Family Detached Lot shall maintain any right of way located between the Owner's Lot and the curb of the street(s) bordering such Lot.

Such maintenance shall be performed consistent with this Declaration and the Community-Wide Standard established pursuant hereto. Each Owner shall perform the Owner's responsibility hereunder in such manner so as not to unreasonably disturb other Owners. In performance of such maintenance responsibilities hereunder, the Owner shall comply with all other provisions of this Declaration, including, but not limited to, Article VIII of this Declaration. Each Owner shall also have the obligation to promptly report to the Association or its agent any defect or need for repairs, for which the Association is responsible to maintain, repair, and/or replace.

11.7. Failure to Maintain. If the Board determines that any Owner has failed or refused to discharge properly the Owner's obligation with regard to the maintenance as provided in this Article, then, except in the case of an emergency as determined in the sole discretion of the Board, the Association shall give the Owner written notice of the Owner's failure or refusal and of the Association's right to provide necessary maintenance, repair, or replacement at the Owner's cost and expense.

The notice shall set forth with reasonable particularity the maintenance, repair, or replacement deemed necessary by the Board. Unless the Board determines that an emergency exists, the Owner shall have ten (10) days within which to complete the maintenance or repair, or if the maintenance or repair is not capable of completion within such time period, to commence replacement or repair within ten (10) days and diligently pursue completion of such repair or

replacement. If the Board determines that: (i) an emergency exists or (ii) that an Owner has not complied with the demand given by the Association as herein provided, then the Association may provide any such maintenance, repair, or replacement at the Owner's sole cost and expense, and such costs shall be an assessment and lien against the Owner and the Lot.

If, during the course of performing such maintenance, the Association discovers that maintenance, repair, or replacement is required of an item which is the Owner's responsibility, and such maintenance, repair, or replacement must be performed for the Association to properly complete its maintenance project, then the Association may perform such work on behalf of the Owner and at the Owner's expense without prior notice to the Owner.

In the event the Board exercises such self-help as provided herein, and in the event further self-help based upon the same or a substantially similar violation is deemed necessary by the Board within the following six (6) months, the Board may exercise such self-help without further notice to the Owner, and all costs shall be an assessment and lien against the Owner and the Lot.

The Board may alternatively enforce this Article through monetary fines against the Owner or Occupant of the Lot, and each day the maintenance, repair, or replacement is not completed shall constitute a separate violation for which fines may be assessed on a daily basis.

11.8. Maintenance Standards and Interpretation. The Board of Directors, in its discretion, may determine schedules of maintenance and repair for the Common Property and any other property within the Community which the Association is responsible to maintain hereunder, and may do so based on the availability of funds for performance of such projects. The Board shall attempt to determine and prioritize schedules based on its opinion of severity of damage and need for corrective work or maintenance. Maintenance and repairs which are part of the Association's responsibility need not be made upon Owner request if, in the Board's discretion, an emergency condition does not exist.

The maintenance standards and the enforcement thereof and the interpretation of maintenance obligations under this Declaration may vary from one term of the Board to another. These variances shall not constitute a waiver by the Board of the right to adopt and enforce maintenance standards under this Article. No decision or interpretation by the Board shall constitute a binding precedent with respect to subsequent decisions or interpretations of the Board.

11.9. Measures Related to Insurance Coverage. The Board shall have the authority to require any Lot Owner to do any act or perform any work involving portions of the Community which are the Owner's maintenance responsibility, which will, in the Board's sole discretion, decrease the possibility of fire or other damage in the Community, reduce the Association's insurance premium(s) or otherwise assist the Board in procuring or maintaining insurance coverage. This authority shall include, but shall not be limited to, requiring Owners to insulate pipes sufficiently or take other preventive measures to prevent freezing of water pipes; requiring

Owners to install smoke detectors; requiring Owners to make improvements to the Lots and dwellings; and such other measures as the Board may reasonably require so long as the costs of such work does not exceed in any twelve (12) month period the greater of either five hundred (\$500.00) dollars per Lot or 1/6th of the General Assessment then in effect.

ARTICLE XII. PARTY WALLS

12.1. General Rules of Law to Apply. To the extent not inconsistent with the provisions of this Article, the general rule of law regarding party walls and liability for personal damage due to negligence of willful acts or omissions shall apply to all Party Walls within the Community that are built as part of the original construction of the dwellings and any replacement thereof. In the event any portion of any structure or facility, as originally constructed, including, without limitation, any Party Wall, shall protrude over an adjoining Lot or dwelling, it shall be deemed that such Owners have granted perpetual easements to the adjoining Owner or Owners for continuing maintenance and use of the projection or Party Wall. The foregoing shall also apply to any replacements of any Party Walls. The foregoing conditions shall be perpetual in duration.

12.2. Painting. Each Owner shall be responsible for painting the portion of any Party Wall that faces his or her dwelling.

12.3. Repair, Replacement and Maintenance for Party Walls.

(a) Generally. The cost of reasonable repair and maintenance of Party Walls (other than painting) shall be shared equally by the Owners of the dwellings sharing such improvements without prejudice, however, to the right of any Owner to call for a larger contribution from the other under any rule of law regarding liability for negligent or willful acts or omissions.

(b) Failure to Contribute. In the event that an Owner shall fail or refuse to pay his pro rata share of costs of repair, maintenance, or replacement of a Party Wall (whether or not through his or her own fault or the failure of his or her insurance company to pay any claim), then and in that event, the Owner advancing monies therefor shall have a right to file a claim of lien for such monies advanced in the public records and pursue any other available legal remedies against such other Owner.

(c) Alterations. The Owner of a dwelling sharing a Party Wall with an adjoining dwelling shall not cut windows or other openings in the Party Wall, nor make any alterations, additions or structural changes in the Party Wall.

(d) Weatherproofing. Notwithstanding any other provisions of this Declaration, an Owner who by his or her negligent or willful act causes a Party Wall to be exposed to the elements shall bear the whole cost of furnishing the necessary protection against such elements.

(e) Easements. Each Owner sharing a Party Wall shall have all easement rights reasonably necessary to perform the obligations contained herein over the Lots or dwellings sharing the Party Wall. Without limiting the generality of the foregoing, in the event an electrical meter, electrical apparatus, CATV cable or other utilities apparatus is installed within a Lot and serves more than such Lot, the Owners of the other Lot(s) served thereby shall have an easement for access to inspection and repair of such apparatus, provided that such easement rights shall be exercised in a reasonable manner and the Owner of the Lot encumbered by the easement shall be reimbursed for any physical damage to his Lot as a result of such exercise by the Owner(s) making use of such easement(s).

ARTICLE XIII. EASEMENTS

13.1. Easements for Use and Enjoyment. Every Owner of a Lot shall have a right and easement of ingress and egress, use and enjoyment in and to the Common Property, including the private streets and sidewalks, which shall be appurtenant to and shall pass with the title to the Owner's Lot, subject to the following provisions:

(a) the right of the Association to charge reasonable admission and other fees for the use of any portion of the Common Property, to limit the number of guests of Lot Owners and tenants who may use the Common Property, and to provide for the exclusive use and enjoyment of specific portions thereof at certain designated times by an Owner, the Owner's family, tenants, guests, and invitees;

(b) the right of the Association, acting through the Board, to make and to enforce reasonable rules and regulations governing the use of the Common Property, including the Limited Common Property;

(c) the terms and conditions of this Declaration, the Bylaws, and the rules and regulations of the Association;

(d) the rights of Owners to the exclusive use of the Limited Common Property assigned to his or her Lot, and the right to the Board to designate additional portions of the Common Property as Limited Common Property;

(e) the right of the Association to suspend the right of an Owner to use the Common Property in the Community, if any, for any period during which any assessment against the Owner or Owner's Lot which is provided for herein remains unpaid and for a reasonable period of time for an infraction of the Declaration, Bylaws, or rules and regulations, and to suspend vehicular access privileges pursuant to Article VII, Section 7.11(g) of this Declaration;

(f) the right of the Association to borrow money as may be set forth in this Declaration and the Bylaws; provided, however, the lien and encumbrance of any such mortgage

given by the Association against the Common Property shall be subject and subordinate to any rights, interests, options, easements, and privileges herein reserved or established for any Lot or Lot Owner;

(g) the right of the Association to grant permits, licenses, or easements across the Common Property; and

(h) the right of the Board of Directors to convey all or a portion of the Common Property to any Person upon the written approval of at least two-thirds (2/3) of the total vote of the Association membership; provided, however, in the event such Common Property includes any portion of Limited Common Property, such written approval must be that of at least two-thirds (2/3) of the total vote of the Association membership and the Owner(s) of the Lot(s) that such Limited Common Property has been assigned; provided further, such written approval shall not be required for the Board to re-convey property to the Declarant in accordance with Article IV, Section 4.7 of this Declaration.

Any Lot Owner may delegate the Owner's right of use and enjoyment in and to the Common Property and facilities located thereon to the members of the Owner's family, or to the Owner's tenants and guests, and shall be deemed to have made a delegation of all such rights to the Occupants if the Owner's Lot is leased; provided, however, the Owner shall retain such rights necessary for ingress and egress to and from the Owner's Lot.

13.2. Easements for Encroachment and Overhang. There shall be reciprocal appurtenant easements for encroachment and overhang as between each Lot and such portion or portions of the Common Property adjacent thereto or as between adjacent Lots due to trees or the unintentional placement or settling or shifting of the improvements constructed, reconstructed, or altered thereon (in accordance with the terms of this Declaration) to a distance of not more than two (2) feet, as measured from any point on the common boundary between each Lot and the adjacent portion of the Common Property or as between adjacent Lots, as the case may be, along a line perpendicular to such boundary at such point.

13.3. Easements for Utilities. There is hereby reserved to the Declarant and the Association blanket easements upon, across, above and under all property within the Community for access, ingress, egress, installation, repairing, replacing, and maintaining all utilities serving the Community or any portion thereof, including, but not limited to, gas, water, sanitary sewer, telephone and electricity, as well as storm drainage and any other service such as, but not limited to, a master television antenna system, cable television system, or security system which the Association may have installed to serve the Community. It shall be expressly permissible for the Declarant or the Association to install, repair, replace, and maintain or to authorize the installation, repairing, replacing, and maintaining of such wires, conduits, cables and other equipment related to the providing of any such utility or service. Should any party furnishing any such utility or service request a specific license or easement by separate recordable document, the Declarant or the Board on behalf of the Association shall have the right to grant such easement. Nothing

contained in this Section shall require or obligate the Declarant or the Association to maintain such easement areas, or any facilities or improvements located therein or thereon.

13.4. Easement for Entry. The Association shall have an easement to enter onto any Lot and dwelling for emergency, security, safety, and for other purposes reasonably necessary for the proper maintenance and operation of the Community, which right may be exercised by the Association's Board of Directors, officers, agents, employees, managers, and all police officers, firemen, ambulance personnel, and similar emergency personnel in the performance of their respective duties. Except in an emergency situation and in the performance of the Association's maintenance responsibilities as provided herein, entry shall be only during reasonable hours and after notice to the Owner or Occupant. This right of entry shall include the right of the Association to enter a Lot to cure any violation of the Declaration, Bylaws, or rules and regulations of the Association and any condition which may increase the possibility of a fire or other hazard in the event that an Owner fails or refuses to cure the condition upon request by the Board. Nothing contained in this Section shall require the Association to enter onto any Lot or dwelling for emergency, security, safety, or for other purposes.

13.5. Easement for Private Streets, Sidewalks and Signs. Each Owner, subject to the terms of this Declaration, the Bylaws, and the rules and regulations of the Association, shall have a perpetual, non-exclusive right-of-way easement for vehicular and pedestrian access, ingress and egress over and across the private streets within the Community, as depicted on the subdivision plat(s) for the Community recorded in the Cherokee County, Georgia land records. The right-of-way easement herein granted shall permit joint usage of such easement by (a) the Owners and Occupants, (b) the legal representatives, successors and assigns of the Owners, and (c) invitees and licensees of the Owners and Occupants. The Association shall have a perpetual, non-exclusive right and easement upon, over and across the private streets and roads and such other portions of the Community for the installation, maintenance, and use of such streets and roads, sidewalks, traffic directional signs, and related activities and improvements. The Declarant and the Association shall have the right, but not the obligation, to limit ingress and egress to and from the Community by installing a gating system at the entrance(s) of the Community. Nothing contained herein shall be construed as obligating the Declarant or the Association to take any action to limit ingress and egress to and from the Community, including, but not limited to, the installation of a gating system.

13.6. Easement for Construction and Sales. So long as the Declarant owns any property described in Exhibit "A" or Exhibit "B" for development or sale or so long as Declarant has the right to unilaterally annex additional property to this Declaration, the Declarant reserves an easement across the Community for Declarant and any approved Builder by Declarant to maintain and carry on development activities upon such portion of the Community as Declarant may reasonably deem necessary. This easement shall include an easement for such facilities and activities which in the opinion of Declarant may be required, convenient, or incidental to the

development, construction, and sales activities related to the property in or near the Community. This easement shall include, without limitation, the following:

(a) The right of access, ingress and egress for vehicular and pedestrian traffic and construction activities over, under, on or in any portion of the Community as well as upon any Lot in the Community;

(b) The right to tie into any portion of the Community with driveways, parking areas, roads, and walkways;

(c) The right to tie into or otherwise connect and use (without a tap-on or other fee for doing so), replace, relocate, maintain, and repair any device which provides utility or similar services;

(d) The right to place directional or marketing signs on any portion of the Community, including upon any Lot or the Common Property;

(e) The right to alter drainage and water flow across any property in the Community, including the Lots; and

(f) The right to construct and operate business offices, signs, construction trailers, model homes, and sales offices incidental to its construction, development and sales activities.

The Declarant shall not be required to obtain the approval or consent of the Association, the Board, the ACC, or any director, officer, or member of same, to exercise any right granted to it pursuant to this Section. Further, Declarant shall have the unilateral right, but not the obligation, to record a separate document or record and/or amend any plat for the Community reflecting the establishment of any of the above easements.

13.7. Easement for Entrance Sign and Landscaping. The Association shall have an easement over any portion of a Lot on which any entrance feature, including, but not limited to, the Community sign, fencing and landscaping, are located. Such entrance features shall remain the personal property of the Association. The Association shall be solely liable for the maintenance, repair and/or replacement of the entrance features, fencing, landscaping, and annual flowers. The Association shall additionally have an easement for the installation and maintenance of utility and water lines across the Lot to the entrance features.

13.8. Fence Easement. Declarant hereby reserves an easement to itself and the Association across any Lot which borders the perimeter of the Community and any Lot that borders or contains a portion of any water facility, detention pond, or retention pond for the purpose of erecting a fence. Nothing contained in this Section shall require the Declarant or the Association to install any fence.

13.9. Drainage Easement. Declarant shall have an easement across the Community for the purpose of altering drainage and water flow across any property in the Community, including the Lots. This right shall include altering swales, installing drains, drainage ditches, pipes, inlets, and alerting, channeling, or piping water flow. Rights exercised pursuant to this easement shall be exercised with a minimum interference to the quiet enjoyment of affected properties.

13.10. Courtyard Easement Area. Declarant, as the owner of all of the property in the Community, hereby reserves for the benefit of the applicable Single-Family Detached Lots, as identified on the plats for the Community recorded from time to time in the Cherokee County, Georgia land records, an easement for access, ingress, egress, use and enjoyment across the Courtyard area adjacent to, serving, and exclusively benefiting a Single-Family Detached Lot having access to said Courtyard area from the dwelling located on such Single-Family Detached Lot. Each Owner of a Single-Family Detached Lot which is benefitted by a Courtyard area acknowledges that the exterior wall enclosing the Courtyard which is farthest from the dwelling located on the benefitted Single-Family Detached Lot is the exterior wall of a dwelling constructed on a neighboring Single-Family Detached Lot (hereinafter the "Neighbor's Wall"). Such Courtyard area may be used and enjoyed exclusively by the Owner of such benefitted Single-Family Detached Lot in any manner and for any purpose permitted by this Declaration, including such purposes as landscaping and general recreation. Provided, however, each Owner shall comply with the terms of this Declaration and any rules and regulations adopted by the Board of Directors regarding the use of a Courtyard, and further provided, no Owner of a benefitted Single-Family Detached Lot shall: (a) make any modification, alteration, addition, or improvement to the Neighbor's Wall; (b) plant any tree, shrub or other vegetation within the Courtyard area whose roots could negatively impact the dwelling or dwelling foundation on the adjacent Single-Family Detached Lot, water line, or sewage line, or cause any damage to the Neighbor's Wall; (c) operate a grill within ten (10) feet of a Neighbor's Wall; (d) throw any ball or object of any kind or spray any substance against a Neighbor's Wall; (e) intentionally cause any damage to the Neighbor's Wall; (f) erect any structure or place any object which would interfere with the easement rights of any adjacent Single-Family Detached Lot; (g) install additional concrete within such Courtyard area without architectural approval as provided in Article VII of this Declaration; (h) install pavers within three (3) feet of the Neighbor's Wall; or (i) play loud music or make loud noises within the Courtyard area which might disturb the quiet enjoyment rights of an Owner or Occupant of the adjacent Single-Family Detached Lot. At all times, a 2 ½ foot buffer area shall be preserved adjacent to the Neighbor's Wall to allow access for maintenance of the Neighbor's Wall and dwelling, and no plantings or other items shall be placed in such buffer area. The Board of Directors of the Association may adopt additional rules and regulations governing the use of the Courtyard, and the easement rights granted herein shall be subject to such rules and regulations. Such rights shall be appurtenant to and run with title to such benefitted Lot for the benefit of the Owner of said Single-Family Detached Lot, but shall not be sold, mortgaged, leased or otherwise granted or conveyed separate and apart from such benefitted Single-Family Detached Lot.

ARTICLE XIV. SALE OF LOTS

14.1. Grantor's Obligation for Notice. A Lot Owner intending to make a transfer or sale of a Lot or any interest in a Lot shall give the Board written notice of such intention within seven (7) days after execution of the transfer or sales documents. The Owner shall furnish the Board, as part of the notice, the name and address of the intended grantee and such other information as the Board may reasonably require. This Article shall not be construed to create a right of first refusal in the Association or in any third party.

14.2. Grantee's Obligation for Notice. Within seven (7) days after receiving title to a Lot, the grantee of the Lot shall give the Board written notice of such ownership of the Lot. Upon failure of an Owner to give the required notice within the seven (7) day period provided herein, the Board may levy a fine against the Lot and Owner thereof, and assess the Owner for all costs incurred by the Association in determining the Owner's identity.

ARTICLE XV. INSURANCE

15.1. Hazard Insurance on the Common Property. The Association shall obtain and maintain property insurance for all insurable improvements on the Common Property. The Board shall utilize reasonable efforts to secure a property insurance policy providing "all risk" coverage in an amount equal to full replacement cost, before application of deductibles, of the Common Property. If "all risk" coverage is not reasonably available at reasonable cost, as determined in the sole discretion of the Board, the Board shall obtain, at a minimum, fire and extended coverage, including coverage for vandalism and malicious mischief, in like amounts.

15.2. Hazard Insurance on the Townhouse and Townhouse Lots. The Association shall have the authority to and shall obtain a property insurance policy or policies for the insurable improvements on Townhouse Lots and Townhouses as provided below. The Board shall utilize reasonable efforts to secure a property insurance policy or policies providing "all risk" coverage in an amount equal to full replacement cost, before application of deductibles, of the Townhouse Lots and Townhouses. If "all risk" coverage is not reasonably available at reasonable cost, as determined in the sole discretion of the Board, the Board shall obtain, at a minimum, fire and extended coverage, including coverage for vandalism and malicious mischief, in like amounts. The Association's insurance policy may exclude improvements and betterments made by an Owner, including such Owner's predecessors-in-title, and shall exclude all personal property of the Owners and/or Occupants.

The insurance required by this subsection shall include all foundations, roofs, roof structures, and interior and exterior walls, including windows and doors and the framing therefor. Such insurance shall cover the following items with respect to each Townhouse regardless of who is responsible for maintaining them under the Declaration:

- (i) The HVAC system serving the Townhouse;
- (ii) All Sheetrock and plaster board comprising the walls and ceilings of the Townhouse; and
- (iii) The following items within Townhouse of the type and quality initially installed, or replacements thereof of like kind and quality in accordance with the original plans and specifications, or as they existed at the time the Townhouse was initially conveyed if the original plans and specifications are not available: floors and subfloors; wall, ceiling, and floor coverings; plumbing and electrical lines and fixtures; built-in cabinetry and fixtures; and appliances used for refrigeration, cooking, dishwashing, and laundry.

15.3. Liability Insurance and Directors' and Officers' Liability Insurance. The Board shall obtain a public liability policy applicable to the Common Property covering the Association and its members for all damage or injury caused by the negligence of the Association or any of its members or agents in their capacities as such, and, if reasonably available, directors' and officers' liability insurance. The public liability policy shall have a combined single limit of at least one million (\$1,000,000.00) dollars.

15.4. Premiums and Deductible on Association Policies. Premiums for insurance obtained by the Association covering the Townhouse Lots and the Townhouses as provided in Section 15.2 hereof shall be a Townhouse Lot expense to be paid by the Owners of the Townhouse Lots through either a Townhouse Lot Assessment or special assessment. Premiums for all other insurance obtained by the Association shall be a Common Expense of the Association. The policies may contain a reasonable deductible, and the amount thereof shall not be subtracted from the face amount of the policy in determining whether the insurance at least equals the full replacement cost.

15.5. Policy Terms. All such insurance coverage obtained by the Board shall be written in the name of the Association. Such insurance shall be governed by the following provisions:

- (a) All policies shall be written with a company licensed to do business in Georgia.
- (b) All policies on the Common Property shall be for the benefit of the Association and its members.
- (c) Exclusive authority to adjust losses under policies obtained by the Association shall be vested in the Board; provided, however, no Mortgagee having an interest in such losses may be prohibited from participating in the settlement negotiations, if any, related thereto.

(d) In no event shall the insurance coverage obtained and maintained by the Board hereunder be brought into contribution with insurance purchased by individual Owners, occupants, or their Mortgagees, and the insurance carried by the Association shall be primary.

(e) All casualty insurance policies shall have an inflation guard endorsement and an agreed amount endorsement if these are reasonably available and all insurance policies should be reviewed annually by one or more qualified persons.

(f) The Board shall use reasonable efforts to secure insurance policies that will provide for the following:

(1) a waiver of subrogation by the insurer as to any claims against the Board, the Association's manager, if any, the Owners and their respective tenants, servants, agents, and guests;

(2) a waiver by the insurer of its rights to repair and reconstruct instead of paying cash;

(3) a provision that no policy may be canceled, invalidated, suspended or subjected to nonrenewal on account of any one or more individual Owners, and a provision that no policy may be canceled, invalidated, suspended, or subjected to nonrenewal due to any defect or conduct of any director, officer, or agent of the Association or its duly authorized manager without prior demand in writing delivered to the Association to cure the defect or to cease the conduct and the allowance of a reasonable time for the required cure to be performed;

(4) that any "other insurance" clause in any policy exclude individual Owners' policies from consideration; and

(5) that no policy may be canceled or substantially modified or subjected to nonrenewal without at least thirty (30) days prior written notice to the Association.

15.6. Individual Single-Family Detached Lot Owner Insurance. Each Owner of a Single-Family Detached Lot shall carry blanket all-risk casualty insurance, if reasonably available, or if not reasonably available, fire and extended coverage, on the Owner's Single-Family Detached Lot, and all structures constructed thereon, meeting the same requirements as set forth in this Article for insurance obtained by the Association. Upon request by the Board, the Owner shall furnish a copy of such insurance policy or policies to the Association. In the event that any Owner fails to obtain insurance or fails to furnish proof of a current insurance policy in effect, the Association may purchase such insurance on behalf of the Owner and assess the cost thereof to the Owner. The Association may in addition, or in the alternative, impose a monetary fine to enforce this provision. Nothing contained in this Section shall require the Association to purchase insurance on behalf of the Owner.

Rec: \$25.00

Patty Baker, Clerk of Superior Court - Cherokee County, GA

Each Owner of a Single-Family Detached Lot further covenants and agrees that, in the event of damage and destruction of structures on his Single-Family Detached Lot and the Limited Common Property assigned to such Owner's Single-Family Detached Lot, the Owner shall proceed promptly to repair or to reconstruct the damaged structure in a manner consistent with the original construction or such other plans and specifications as are approved in accordance with this Declaration. The Owner shall pay any costs of repair or reconstruction which are not covered by insurance proceeds.

15.7. Individual Townhouse Lot Owner Insurance. Every Owner of a Townhouse Lot shall be obligated to obtain and maintain at all times insurance covering those portions of his or her Townhouse Lot, Townhouse, and the Limited Common Property assigned to such Owner's Townhouse Lot, including betterments and improvements, to the extent not insured by policies maintained by the Association. Such Owner's policy or policies shall include loss assessment coverage and deductible assessment coverage, or similar coverage, in an amount sufficient to cover amounts assessed to an Owner or Owners as a result of a covered loss, including any assessed deductible. Upon request by the Board, the Owner shall furnish a copy of such insurance policy or policies to the Association. In the event that any Owner fails to obtain insurance or fails to furnish proof of a current insurance policy in effect, the Association may, but shall have no obligation, purchase such insurance on behalf of the Owner and assess the cost thereof to the Owner. The Association may in addition, or in the alternative, impose a monetary fine to enforce this provision.

The Board shall upon request make available for review by Owners a copy of the Association's insurance policies to allow Owners to assess their personal insurance needs.

15.8. Insurance Deductibles. In the event of an insured loss, if the loss affects only one Townhouse Lot, Townhouse, or Limited Common Property assigned to the Townhouse Lot, the cost of the deductible shall be assessed to the Owner of such Townhouse Lot. If the loss affects only Limited Common Property assigned to a Single-Family Detached Lot, the cost of the deductible shall be assessed to the Owner of such Single-Family Detached Lot. If the loss affects only Common Property that has not been assigned to a Lot or Lots, the cost of the deductible shall be considered a Common Expense. If the loss affects the Common Property and a Townhouse Lot(s), Townhouse(s), or Limited Common Property, or affects more than one Townhouse Lot, Townhouse, or Limited Common Property, the cost of the deductible may be apportioned equitably by the Board among the parties suffering loss in proportion to each affected party's portion of the total cost of repair, or otherwise as the Board determines equitable. Notwithstanding this, if the insurance policy provides that the deductible will apply to each Lot separately or to each occurrence, each Owner shall be responsible for paying any deductible pertaining to his or her Lot. If any Owner fails to pay the deductible when required hereunder, then the Association may pay the deductible and assess the cost to the Owner.

15.9. Termite Bond. The Association, acting through the Board shall obtain and maintain a termite bond for all Single-Family Detached Dwellings and all Townhouses throughout the

Community as a Common Expense. The Association shall have an easement across all Lots to provide such services.

ARTICLE XVI. REPAIR AND RECONSTRUCTION

16.1. An Insured Loss. In the event of damage to or destruction of all or any part of the Community that is insured by the Association, as a result of fire or other casualty that is covered by insurance that the Association has obtained, unless eighty (80%) percent of the Owners, including the Owner(s) of any damaged Townhouse Lot(s) and/or Townhouse(s), vote not to proceed with the reconstruction and repair of the structure, the Board or its agent shall arrange for and supervise the prompt repair and restoration of the structure. In the event of substantial damage or destruction, each Eligible Mortgage Holder shall be entitled to written notice of the damage, and nothing in these documents shall be construed to afford a priority to any Owner with respect to the distribution of proceeds to any such Lot, Townhouse, or Single-Family Detached Dwelling.

16.2. Cost Estimates. Promptly after a fire or other casualty that is covered by insurance that the Association has obtained causing damage to the Community that is insured by the Association, the Board shall obtain reliable and detailed estimates of the cost of repairing and restoring the structures (including any damaged Townhouse Lot or Townhouse) to substantially the condition which existed before such casualty, allowing for any changes or improvements necessitated by changes in applicable building codes, but excluding any betterments or improvements made by the Owner, or such Owner's predecessor-in-title. Such costs may also include professional fees and premiums for such bonds as the Board determines to be necessary.

16.3. Source and Allocation of Proceeds. If the proceeds of insurance are not sufficient to defray the estimated costs of reconstruction and repair, as determined by the Board, or if at any time during the reconstruction and repair or upon completion of reconstruction and repair the funds for the payment of the costs thereof are insufficient, the additional costs shall be assessed against the Owners(s) of the Townhouse Lot(s), Townhouse(s), or Limited Common Property damaged in proportion to the damage to the Townhouse Lot(s), Townhouse(s), or Limited Common Property, or against all Owners, in the case of insufficient funds to cover damage to the Common Property. This assessment shall not be considered a special assessment. If there are surplus funds after repair and reconstruction is completed, such funds shall be common funds of the Association to be used as directed by the Board.

16.4. Plans and Specifications. Any such reconstruction or repair shall be substantially in accordance with the plans and specifications under which the Community was originally constructed, except where changes are necessary to comply with current applicable building codes. To the extent sufficient insurance proceeds are available from insurance obtain by an Owner, the Association shall reconstruct or repair Owner betterments and improvements damaged as a result of fire or other casualty.

ParticipantIDs: 2028400475 SubmitterID: 0848497841

16.5. Encroachments. Encroachments upon or in favor of Lots which may be created as a result of such reconstruction or repair shall not constitute a claim or basis for any proceeding or action by the Owner upon whose property such encroachment exists, provided that such reconstruction was substantially in accordance with the architectural plans under which the Community was originally constructed. Such encroachments shall be allowed to continue in existence for so long as the reconstructed building shall stand.

16.6. Construction Fund. The net proceeds of the insurance collected on account of a casualty and the funds collected by the Association from assessments against Owners on account of such casualty shall constitute a construction fund which shall be disbursed in payment of the cost of reconstruction and repair as set forth in this Article to be disbursed by the Association in appropriate progress payments to such contractor(s), supplier(s), and personnel performing the work or supplying materials or services for the repair and reconstruction of the buildings as are designated by the Board.

ARTICLE XVII. MORTGAGEE'S RIGHTS

17.1. Foreclosure. Where the Mortgagee holding a first Mortgage of record or other purchaser of a Lot obtains title pursuant to judicial or nonjudicial foreclosure of the first Mortgage, it shall not be liable for assessments or charges by the Association chargeable to such Lot which became due prior to such acquisition of title. Such acquirer shall be responsible for all charges accruing subsequent to the passage of title.

17.2. Eligible Mortgage Holder. A Mortgage Holder shall become an Eligible Mortgage Holder if the Mortgage Holder provides to the Association in writing its name, address, and phone number, as well as the address of the Lot and name of the Lot Owner to which it holds a Mortgage; provided, however, a settlement statement from a closing shall not be sufficient information to enable a Mortgage Holder to become an Eligible Mortgage Holder. Upon becoming an Eligible Mortgage Holder, an Eligible Mortgage Holder shall be entitled to timely written notice of the following:

(a) any delinquency in the payment of assessments or charges owed by an Owner of a Lot subject to a first Mortgage held by such Eligible Mortgage Holder which remains unsatisfied for a period of sixty (60) days, and any default in the performance by an individual Owner of any other obligation under this Declaration which is not cured within sixty (60) days; or

(b) any lapse, cancellation, or material modification of any insurance policy maintained by the Association.

17.3. Financial Statement. Any holder of a first Mortgage shall be entitled, upon written request, to receive within a reasonable time after request, a copy of the financial statement of the Association for the immediately preceding fiscal year.

17.4. Non-Impairment. Notwithstanding anything to the contrary herein contained, the provisions of this Declaration governing sales and leases shall not apply to impair the right of any first Mortgagee to: (i) foreclose or take title to a Lot pursuant to remedies contained in its Mortgage; (ii) take a deed or assignment in lieu of foreclosure; or (iii) sell, lease, or otherwise dispose of a Lot acquired by the Mortgagee.

17.5. Notice to Association. Upon request, each Owner shall be obligated to furnish to the Association the name and address of the holder of any Mortgage encumbering such Owner's Lot.

ARTICLE XVIII.AMENDMENTS

18.1. General. Subject to Section 18.2 of this Article, this Declaration may be amended by an instrument or instruments signed by at least two-thirds (2/3) of Owners. Notice of a meeting, if any, at which a proposed amendment will be considered, shall state the fact of consideration and the subject matter of the proposed amendment. No amendment shall be effective until certified by the President and Secretary of the Association and filed in Cherokee County, Georgia land records.

18.2. Approval of Declarant. Until sixty (60) days following the date on which one hundred percent (100%) of the Lots shown on the final recorded plat or plats for the Community have been issued a certificate of occupancy and have been conveyed to any Person not constituting the Declarant or a Builder for residential use, any amendment to the Declaration or Bylaws must be approved in writing by the Declarant prior to becoming effective; and during such time, Declarant shall have the unilateral right to amend the Declaration from time to time without the approval of the Association members.

18.3. Georgia Property Owners' Association Act. The majority of the Board of Directors, without the approval of the Association members, may record an amendment to submit the Declaration to the Georgia Property Owners' Association Act, O.C.G.A. § 44-3-220, et seq.; provided, however, such amendment must be approved by the Declarant, if the Declarant or a Builder than owns any property subject to this Declaration.

18.4. Limitation Period. Any action to challenge the validity of this Declaration or an amendment adopted under this Article must be brought within one (1) year of the recording of same in the Cherokee County, Georgia land records. No action to challenge this Declaration or any such amendment may be brought after such time.

ARTICLE XIX.GENERAL PROVISIONS

19.1. Enforcement. In addition to any other enforcement right set forth within the Declaration or Bylaws, the Association, acting through the Board of Directors, shall have the right to enforce, in its sole discretion, any violation of the Declaration, Bylaws or rules and regulations

Rec: \$25.00

Patty Baker, Clerk of Superior Court - Cherokee County, GA

of the Association by a proceeding at law or in equity, or as otherwise provided herein. Failure of the Board of Directors to exercise its authority to take enforcement action authorized by the Declaration, Bylaws or rules and regulations of the Association shall not be grounds for any action against the Association or the Board of Directors. Owners may enforce the Declaration against other Owners by a proceeding at law or in equity.

(a) Fines and Suspensions of Use. The Board shall have the power to impose reasonable fines, which shall constitute a lien upon the Owner's Lot, for any violation of the Declaration, Bylaws, or any Association rules and regulations. The Board shall further have the power to suspend the use of the recreational facilities, if any, for any violation of the Declaration, Bylaws, or any Association rules and regulations. If any Occupant violates the Declaration, Bylaws or Association rules and regulations and a fine is imposed, the fine may be imposed against the Owner and/or Occupant. The Board may establish and promulgate a fining schedule. The Board shall not impose a fine or suspend the right to use the recreational facilities, unless and until the Board has sent or delivered written notice to the Owner or Occupant as provided herein; provided, however, an Owner's right to use the recreational facilities shall automatically be suspended without notice during any period in which an Owner is more than thirty (30) days delinquent on any assessment or charge, and the Owner shall be ineligible to use the recreational facilities until the Owner's account balance has been paid in full.

(i) Notice. If any provision of the Declaration or Bylaws or any Association rule or regulation is violated, the Board shall send the violating Owner or Occupant written notice identifying the violation and fine and/or suspension being imposed and advising the Owner or Occupant of the right to request a hearing before the Board to contest the violation or the fine and/or suspension or to request reconsideration of the fine and/or suspension. Fines and suspensions may be effective or commence upon the sending of such notice or such later date specified in such notice, notwithstanding the Owner or Occupant's right to request a hearing before the Board to challenge the fine and/or suspension. In the event of a continuing violation, each day the violation continues or occurs again constitutes a separate offense, and fines may be imposed on a per diem basis without further notice to the Owner or Occupant. In the event an Owner or Occupant violates the same provision of the Declaration or Bylaws or any Association rule and regulation within six (6) months from the date of the notice, the Board may impose the fines and/or other sanction provided in the notice without further notice to the Owner or Occupant.

(ii) Hearing. If a written request for a hearing is received from the Owner or Occupant within ten (10) days of the date of the violation notice provided above, then the Board shall schedule and hold in executive session a hearing affording the Owner or Occupant a reasonable opportunity to be heard. The minutes of the meeting shall contain a written statement of the results of the hearing. The Board may establish rules of conduct for such hearing, which may include limits on time and on the number of participants who may be present at one time. Failure to request a timely hearing as provided herein shall result in loss of the right to challenge

and request reconsideration of the fines or suspension. The Board of Directors may, but shall not be required to, suspend the fines and/or suspension until the date of the hearing.

(b) Suspension of Voting. A member's right to vote shall automatically be suspended during any period in which a member is more than thirty (30) days delinquent on any assessment or charge. The Association shall not be required to provide any notice to such member that the member's voting rights have been automatically suspended.

(c) Abatement and Self-Help. The Board or its designee may enter upon a Lot to exercise self-help in order to remove or abate any violation thereon of the Declaration; provided, however, the Board shall first provide the Owner of the Lot ten (10) days notice of the Board's intention to enter the Owner's Lot and provide the Owner with an opportunity to remove or abate the violation, provided further, such notice shall not be required if the Board determines that an emergency exists. All costs of self-help or of otherwise enforcing the Declaration, Bylaws or Association rules, including reasonable attorney's fees actually incurred, shall be assessed against the Owner, Occupant and/or Lot subject to the violation.

(d) Notice of Violation. The Association shall have the authority to record in the Cherokee County, Georgia land records a notice of violation identifying an uncured violation of the Declaration, Bylaws, or rules and regulations regarding a Lot.

(e) Enforcement Costs. The Owner or Occupant responsible for a violation shall be liable for all costs incurred in enforcement, including reasonable attorney's fees actually incurred, whether or not a legal proceeding in law or equity is filed in connection with the violation. In the event an Occupant is responsible for the violation, the Owner shall also be liable for all costs incurred in enforcement against such Occupant, including reasonable attorney's fees actually incurred, whether or not a legal proceeding in law or equity is filed in connection with the violation. All such costs shall be considered a specific assessment and shall become a lien against the Owner's Lot.

(f) Waiver. The failure of the Board to enforce any provision of the Declaration, Bylaws, or any rule or regulation shall not be deemed a waiver of the right of the Board to do so thereafter. Neither the Declarant, the Association, its Board of Directors, any duly created committee, any member of any of the foregoing, the Association's officers, nor agents shall have any liability of any kind as a result of any failure to enforce any provision contained in this Declaration, the Bylaws, or the rules and regulations. Each Owner acknowledges and agrees that the Association has the discretion to pursue covenant violations based on the gravity of the violation, the strength of the Association's legal and factual position, and the Association's financial position. The Association's decision regarding any specific covenant violation shall not affect the rights of other Owners with respect to that violation.

19.2. Duration. The Covenants and Restrictions within the Declaration shall run with and bind the property subject to this Declaration perpetually or as otherwise provided by Georgia law.

19.3. SECURITY. THE ASSOCIATION MAY, BUT SHALL NOT BE REQUIRED TO, FROM TIME TO TIME, PROVIDE MEASURES OR TAKE ACTIONS WHICH DIRECTLY OR INDIRECTLY IMPROVE SAFETY AT THE COMMUNITY; HOWEVER, EACH OWNER, FOR HIMSELF OR HERSELF AND HIS OR HER TENANTS, GUESTS, LICENSEES, AND INVITEES, ACKNOWLEDGES AND AGREES THAT THE ASSOCIATION IS NOT A PROVIDER OF SECURITY AND SHALL HAVE NO DUTY TO PROVIDE SECURITY AT THE COMMUNITY. IT SHALL BE THE RESPONSIBILITY OF EACH OWNER TO PROTECT HIS OR HER PERSON AND PROPERTY AND ALL RESPONSIBILITY TO PROVIDE SUCH SECURITY SHALL LIE SOLELY WITH EACH LOT OWNER.

THE ASSOCIATION SHALL NOT BE HELD LIABLE FOR ANY LOSS OR DAMAGE BY REASON OF FAILURE TO PROVIDE ADEQUATE SECURITY OR INEFFECTIVENESS OF SAFETY MEASURES UNDERTAKEN.

19.4. Dispute Resolution. Any Lot Owner or Occupant must give written notice to the Declarant or Board requesting a hearing with the Declarant or Board and attend such hearing to discuss amicable resolution of any dispute against the Declarant or Association, respectively, before that Owner or Occupant files any lawsuit against the Declarant, the Association, the Board, or any officer or director, or any agent of same. The Owner or Occupant shall, in such notice and at the hearing, make a good faith effort to explain the grievance and resolve the dispute in an amicable fashion, and shall give the Declarant or Association a reasonable opportunity to address the Owner's or Occupant's grievance before filing suit. Upon receiving a request for a hearing, the Declarant or the Association shall give notice of the date, time, and place of the hearing to the Person requesting the hearing. The Declarant or Association shall schedule the hearing for a date not less than seven (7) nor more than twenty-one (21) days from the date of receipt of the notice of hearing from the Person requesting the hearing. Alternatively, the Declarant or the Board may notify the Owner or Occupant that it is waiving the requirement of the Owner or Occupant to request and attend the hearing with the Declarant or Board.

19.5. Limitation on Litigation. Except as provided in this Section 19.5, the Association shall not commence a judicial or administrative proceeding without the approval of Owners representing at least 75% of the total votes in the Association. This Section 19.5 shall not apply, however, to (a) actions brought by the Association to enforce the Declaration, Bylaws or rules and regulations of the Association (including, without limitation, the foreclosure of liens); (b) the collection of assessments; (c) proceedings involving challenges to ad valorem taxation; or (d) counterclaims brought by the Association in proceedings instituted against it. This Section 19.5 shall not be amended unless such amendment is approved by the percentage of votes, and pursuant to the same procedures, necessary to institute proceedings as provided above.

19.6. No Discrimination. No action shall be taken by the Association or the Board of Directors which would discriminate against any person on the basis of race, creed, color, national origin, religion, sex, familial status, or handicap.

19.7. Indemnification. The Association shall indemnify every officer and director against any and all expenses, including, without limitation, attorney's fees, imposed upon or reasonably incurred by any officer or director in connection with any action, suit, or other proceeding (including settlement of any suit or proceeding, if approved by the then Board of Directors) to which such officer or director may be a party by reason of being or having been an officer or director. The officers and directors shall not be liable for any mistake of judgment, negligent or otherwise, except for their own individual willful misfeasance, malfeasance, misconduct, or bad faith. The officers and directors shall have no personal liability with respect to any contract or other commitment made by them, in good faith, on behalf of the Association, and the Association shall indemnify and forever hold each such officer and director free and harmless against any and all liability to others on account of any such contract or commitment. Any right to indemnification provided for herein shall not be exclusive of any other rights to which any officer or director, or former officer or director, may be entitled. The Association shall maintain adequate general liability and officers' and directors' liability insurance to fund this obligation, if such coverage is reasonably available.

19.8. Eminent Domain. If all or any part of the Common Property shall be taken or conveyed in lieu of or under threat of condemnation by any authority having power of condemnation or eminent domain, each Owner shall be entitled to notice thereof. If the taking involves a portion of the Common Property on which improvements have been constructed, then, unless within sixty (60) days after such taking at least seventy-five percent (75%) of the Owners shall otherwise agree, the Association shall restore or replace such improvements so taken on the remaining Common Property to the extent land is available therefor.

19.9. Implied Rights. The Association may exercise any right or privilege given to it expressly by this Declaration, the Bylaws, the Articles of Incorporation of the Association, and every other right or privilege reasonably to be implied from the existence of any right or privilege given to it therein or reasonably necessary to effectuate any such right or privilege.

19.10. Severability. Invalidation of any one of these covenants or restrictions by judgment or court order or otherwise shall in no way affect the application of such provision to other circumstances or affect any other provision, which shall remain in full force and effect.

19.11. Conflicts. The duties, powers, and obligations of the Association, including the members, directors, and officers, shall be those set forth in the Georgia Nonprofit Corporation Code, the Declaration, the Bylaws, the Articles of Incorporation, and the rules and regulations of the Association. If there are conflicts or inconsistencies between such, then the provisions of the Georgia Nonprofit Corporation Code, the Declaration, the Bylaws, the Articles of Incorporation,

and the rules and regulations of the Association, in that order, shall prevail; and each Owner of a Lot, by acceptance of a deed or other conveyance therefor, covenants to vote in favor of such amendments as will remove such conflicts or inconsistencies.

19.12. Preparer. This Declaration was prepared by David C. Boy, IV, Lueder, Larkin & Hunter, LLC, 5900 Windward Parkway, Suite 390, Alpharetta, Georgia 30005.

19.13. Disclosures.

(a) No representations are made regarding the zoning of adjacent property, or that the category to which adjacent property is zoned may not change in the future.

BYLAWS
OF
RUISSEAU HOMEOWNERS ASSOCIATION, INC.

ARTICLE I. GENERAL

1.1. Applicability. These Bylaws provide for the self-government of Ruisseau Homeowners Association, Inc., in accordance with the Articles of Incorporation filed with the Secretary of State and the Declaration of Covenants, Conditions, Restrictions, and Easements for Ruisseau (hereafter referred to as the “Declaration”), recorded in the Cherokee County, Georgia land records.

1.2. Name. The name of the corporation is Ruisseau Homeowners Association, Inc. (hereafter referred to as the “Association”).

1.3. Definitions. Unless otherwise provided herein, capitalized terms shall the meanings specified in Article I of the Declaration.

1.4. Membership. Each Owner of any Lot, by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, shall be a member of the Association. This is not intended to include Persons who hold an interest merely as security for the performance of an obligation, and the giving of a security interest shall not terminate the Owner’s membership. No Owner, whether one or more Persons, shall have more than one (1) membership per Lot owned. In the event of multiple Owners of a Lot, votes and rights of use and enjoyment shall be as provided in this Declaration and in the Bylaws. Membership shall be appurtenant to and may not be separated from ownership of any Lot. The rights and privileges of membership, including the right to vote and to hold office, may be exercised by a member or the member’s spouse, but in no event shall more than one (1) vote be cast for each Lot owned.

1.5. Voting. Members shall be entitled to one (1) equal vote for each Lot owned. When more than one (1) Person holds an ownership interest in any Lot, the vote for such Lot shall be exercised as those Owners determine among themselves. In the absence of such advice, the Lot’s vote shall be suspended if more than one (1) Person seeks to exercise it. A member’s right to vote shall automatically be suspended during any period in which a member is more than thirty (30) days delinquent on any assessment or charge, and the member shall be ineligible to vote on any matter until the member’s account balance has been paid in full and such member’s vote shall not be counted for any purpose.

1.6. Entity Members. In the event an Owner is a corporation, partnership, trust, or other legal entity not being a natural person or persons, then any natural person who is an

officer, director, or other designated agent of such corporation, partner of such partnership, beneficiary, or other designated agent of such trust, or manager of such other legal entity shall be eligible to represent such entity in the affairs of the Association. Such person's relationship with the Association shall terminate automatically upon the termination of such person's relationship with the entity which is the Owner of the Lot. The membership rights of an Owner which is a corporation, partnership, or other legal entity shall be exercised by the individual designated from time to time by the Owner in a written instrument provided to the Secretary of the Association.

1.7. Purpose. The Association shall have the responsibility of administering Community, establishing the means and methods of collecting the assessments in accordance with the Declaration, and performing all of the other acts that may be required to be performed by the Association pursuant to the Declaration and Georgia Nonprofit Corporation Code. Except as to those matters which the Declaration or the Georgia Nonprofit Corporation Code specifically require to be performed by the vote of the Association membership, the administration of the foregoing responsibilities shall be performed by the Board of Directors.

1.8. Electronic Communications.

(a) Records and Signatures. Whenever the Declaration or these Bylaws require that a document, record or instrument be written or in writing, the requirement is deemed satisfied by an electronic record pursuant to the Georgia Uniform Electronic Transactions Act. Whenever the Declaration or these Bylaws require a signature on a document, record or instrument, an electronic signature, in accordance with the Georgia Uniform Electronic Transactions Act, satisfies that requirement.

(b) Verification and Liability for Falsification. The Board of Directors may require reasonable verification of any electronic signature, document, record, or instrument. Absent or pending verification, the Board of Directors may refuse to accept any electronic signature or electronic record that, in the Board's sole discretion, is not authentic. Neither the Board of Directors nor the Association shall be liable to any Owner or any other Person for accepting or acting in reliance upon an electronic signature or electronic record that the Board of Directors reasonably believes to be authentic, or rejecting any such item which the Board of Directors reasonably believes not to be authentic. Any Owner or Person who negligently, recklessly or intentionally submits any falsified electronic record or unauthorized electronic signature shall fully indemnify the Association for actual damages, reasonable attorneys' fees actually incurred and expenses incurred as a result of such acts.

ARTICLE II. MEETINGS OF MEMBERS

2.1. Annual Meetings. The annual meeting of the members shall be held each year with the date, hour, and place to be set by the Board. In the Board's discretion, any meeting of the members may be held by means of remote telephone or electronic communication, including, but not limited to, virtual meeting platforms, video conferencing, the internet,

Rec: \$25.00

Patty Baker, Clerk of Superior Court - Cherokee County, GA

or other similar means, provided all persons participating in the meeting can hear each other or can otherwise communicate with each other. The Board of Directors may adopt rules and procedures governing the conduct of meetings by remote telephone or electronic communication. For in-person meetings of the members, the Board of Directors may, but shall not be required, to allow attendance by remote telephone or electronic communication.

2.2. Special Meetings. Special meetings of the members may be called for any purpose at any time by the President or by request of any two (2) or more directors, or upon written petition of at least twenty-five (25%) percent of the total eligible vote of the Association membership. Any such written petition by the members must be submitted to the Association's Secretary. The Secretary shall then verify that the required number of members have joined in the petition and shall submit the petition to the Association's President. The President shall then promptly call a special meeting for the purpose stated in the petition, and the Secretary shall send notice of the meeting in accordance with these Bylaws. Members petitioning for a special meeting may request the date, time and location of the meeting, but such request shall not be binding upon the Association.

2.3. Notice of Meetings. The Secretary shall mail or deliver to each member of the Association a notice of each Association meeting at least twenty-one (21) days prior to each annual meeting and at least ten (10) days prior to each special meeting. All notices shall state the date, time, and location of the annual or special meeting. If any member wishes notice to be given to an address other than the Owner's Lot address, the member shall designate such other address by written notice to the Secretary. The mailing or delivering of a meeting notice as provided in this Section 2.3 shall constitute proper service of notice.

2.4. Waiver of Notice. Waiver of notice of a meeting of the members shall be deemed the equivalent of proper notice. Any member may, in writing, waive notice of any Association meeting, either before or after such meeting. Attendance at a meeting by a member, whether in person or represented by proxy, shall be deemed waiver by such member of notice of the date, time and location thereof unless such member specifically objects to lack of proper notice at the time the meeting is called to order. Attendance at a special meeting shall also be deemed waiver of notice of all business transacted at such meeting unless objection to lack of notice is raised before the business, of which proper notice was not given, is put to a vote.

2.5. Quorum. The presence, in person or by proxy, of members entitled to cast fifteen percent (15%) of the total eligible vote of the Association shall constitute a quorum. Once a quorum is established for a meeting, it shall conclusively be presumed to exist until the meeting is closed and shall not need to be reestablished. Members whose voting rights have been suspended pursuant to the Declaration or these Bylaws shall not be counted as eligible votes toward the quorum requirement.

2.6. Adjournment. Any meeting of the Association members may be adjourned from time to time for periods not exceeding fifteen (15) days by vote of the members

Rec: \$25.00

Patty Baker, Clerk of Superior Court - Cherokee County, GA

holding the majority of the votes represented at such meeting, regardless of whether a quorum is present. Any business which could have been transacted properly at the original session of the meeting with a quorum present may be transacted at a reconvened session with a quorum present, and no additional notice of such reconvened session shall be required.

2.7. Proxy. Any Association member entitled to vote may do so by written proxy duly executed by the member setting forth the meeting at which the proxy is valid. The term "proxy" shall mean the written document in which the member authorizes any other person to attend a membership meeting on behalf of the member and vote the member's vote at the meeting. The written proxy document shall not be required to be in any particular form; but to be valid, the proxy must be signed, dated, and filed with the Secretary prior to the opening of the meeting for which it is to be used. The member giving the proxy shall be the "proxy giver" and the person holding the proxy and authorized to attend on behalf of the proxy giver and vote for the proxy giver shall be the "proxy holder." Proxies may be delivered by either the proxy giver or the proxy holder by personal delivery, U.S. Mail, facsimile transmission, email, or other electronic means to any Board member or the property manager, if any. Proxies may be revoked only by written notice of the proxy giver delivered to the Secretary, except that the presence in person by the proxy giver at a meeting for which the proxy is given shall automatically invalidate the proxy for that meeting. A proxy holder may not appoint a substitute proxy holder unless expressly authorized to do so in the proxy. Proxies shall be counted towards establishment of a quorum. The Board may adopt rules and procedures governing the use of proxies.

2.8. Action Taken Without a Meeting. In the Board's discretion, any action that may be taken by the Association members at any annual, regular, or special meeting may be taken without a meeting if the Board delivers a written consent form or written ballot to every member entitled to vote on the matter.

(a) Ballot. A written ballot shall set forth each proposed action and provide an opportunity to vote for or against each proposed action. Approval by written ballot shall be valid only when (1) the number of votes cast by ballot equals or exceeds the quorum required to be present at a meeting authorizing the action, and (2) the number of approvals equals or exceeds the number of votes that would be required to approve the matter at a meeting at which the total number of votes cast was the same as the number of votes cast by ballot.

All solicitations for votes by written ballot shall: (1) indicate the number of responses needed to meet the quorum requirements; (2) state the percentage of approvals necessary to approve each matter other than election of directors; and (3) specify the time by which a ballot must be received by the Board in order to be counted. A written ballot may not be revoked.

(b) Written Consent. Approval by written consent shall be valid only when the number of written consents received equals or exceeds the requisite majority of the voting power for such action. Executed written consents shall be included in the minutes or

Rec: \$25.00

filed with the Association's records. If an action of the members is approved by written consent hereunder, the Board shall issue written notice of such approval to all members who did not sign written consents. Membership approval shall be effective ten (10) days after written notice is issued; provided, however, if the consent is to an amendment to the Declaration or Bylaws which must be recorded, the effective date shall be no earlier than the date of recording of such amendment.

2.9. Order of Business. At all meetings of the Association, Roberts Rules of Order (latest edition) shall govern when not in conflict with the Declaration, these Bylaws or the Articles of Incorporation, unless the members present at a particular meeting vote to suspend Robert's Rules at that meeting.

ARTICLE III. BOARD OF DIRECTORS

3.1. Composition.

The affairs of the Association shall be governed by a Board of Directors composed of three (3) persons; provided, however, during the period of time that Declarant has the right to appoint and remove the directors and officers of the Association pursuant to Section 3.2 of this Article III, the Board of Directors shall be composed of one (1) to three (3) persons as determined by the Declarant. Except for directors appointed by the Declarant hereunder, the directors shall be Owners of Lots or the spouse of an Owner; provided, however no Owner and his or her spouse may serve on the Board at the same time, and no co-owners may serve on the Board at the same time.

3.2. Election and Term.

The Declarant shall have the right to appoint and remove directors and officers of the Association until the earlier of the following to occur: (a) sixty (60) days following the date on which one hundred percent (100%) of the Lots shown on the final recorded plat or plats for the Community have been issued a certificate of occupancy and have been conveyed to any Person not constituting the Declarant or a Builder for residential use; or (b) the voluntary surrender by Declarant, in writing, of the authority to appoint and remove the Association's directors and officers. In the event the Declarant voluntarily surrenders the authority to appoint and remove the Association's directors and officers, the Declarant shall thereafter retain the right to veto any action of the Board of Directors until sixty (60) days following the date on which one hundred percent (100%) of the Lots shown on the final recorded plat or plats for the Community have been conveyed to any Person not constituting the Declarant for residential use.

Upon the termination of the Declarant's right to appoint and remove directors, the Association shall call a meeting to elect a Board of Directors. One (1) director shall be elected by members who are Owners of the Townhouse Lots, and such director must be an Owner or the spouse of an Owner of a Townhouse Lot. One (1) director shall be elected by members who are Owners of the Single-Family Detached Lots, and such director must be an Owner or the spouse of an Owner of a Single-Family Detached Lot. The remaining

director shall be elected by the vote of all eligible members of the Association. Those candidates receiving the most votes shall be elected to the number of positions to be filled. There shall be no cumulative voting. All directors shall be elected for one (1) year terms and shall hold office until their successors are elected. The newly elected Board shall meet within ten (10) days following the meeting at which the election occurred for the purpose of appointing officers and any other business that comes before the Board.

3.3. Nomination. Nominations for election to the Board may be made from the floor at the meeting. Nominations also may be made by a nominating committee, if appointed by the Board. The Board may also establish additional procedures for the nomination of directors.

3.4. Removal of Directors. At any valid regular or special Association meeting, any one or more directors, except those directors appointed by the Declarant, may be removed with or without cause by a majority of the total eligible vote of the Association members and a successor may then and there be elected to fill the vacancy created. Any director whose removal has been proposed shall be given at least ten (10) days notice of the calling of the meeting to consider his or her removal and shall be given an opportunity to be heard at the meeting. In addition, any director who has had three (3) consecutive unexcused absences from regularly scheduled Board meetings or is more than sixty (60) days past due in the payment of any assessment or charge may be removed by the vote of a majority of the other directors.

3.5. Vacancies. Vacancies on the Board caused by any reason, except the removal of a director by vote of the membership as provided in Section 3.4 of this Article III, shall be filled by a vote of the majority of the remaining directors, even though less than a quorum, at any Board meeting. The successor selected shall hold office for the remainder of the term of the director being replaced.

3.6. Compensation. Directors shall not be compensated for services. However, directors may be reimbursed for the expenses incurred in carrying out their duties as directors upon Board approval of such expenses. Directors also may be given nominal gifts or tokens of appreciation by the Association for recognition of services performed not to exceed a value of \$100.00 per calendar year. For purposes hereof, reasonable food and beverages purchased for Board meetings shall not be considered compensation.

3.7. Director Conflicts of Interest. Nothing herein shall prohibit a director from entering into a contract and being compensated for services or supplies furnished to the Association in a capacity other than as director, provided the director's interest is disclosed to the Board and the contract is approved by a majority of the directors who are at a meeting of the Board of Directors at which a quorum is present, excluding the director with whom the contract is made. The interested director shall not count for purposes of establishing a quorum of the Board. The interested director shall be entitled to be present at the meeting at which the proposed contract is discussed, but the director must leave the room during the discussion on such matter.

3.8. Regular Meetings. Regular Board meetings may be held at such time and place as determined by the Board, but at least once every three (3) months; provided however, so long as the Declarant has the right to appoint and remove the officers and directors of the Association, the Board may meet less frequently.

3.9. Special Meetings. Special Board meetings may be called by the President on three (3) days notice to each director given by mail, in person, by telephone, by facsimile transmission, or by email, which notice shall state the time, date, location, and purpose of the meeting. Special Board meetings shall be called by the President, Vice President, Secretary, or Treasurer in like manner and on like notice upon the written request of at least two (2) directors.

3.10. Waiver of Notice. Any director at any time, in writing, may waive notice of any Board meeting, and such waiver shall be deemed equivalent to the giving of such notice. Attendance by a director at any Board meeting shall also constitute a waiver of notice by him or her of the time and place of such meeting. If all directors are present at any Board meeting, no notice shall be required and any business may be transacted at such meeting.

3.11. Quorum and Conduct of Meetings. The President shall preside over all Board meetings, and the Secretary shall keep a minute book recording therein all resolutions adopted by the Board and a record of all transactions and proceedings occurring at such meetings. The presence of directors entitled to cast a majority of the votes of the Board shall constitute a quorum for the transaction of business. One or more directors who participate in a meeting by means of telephone or electronic communication shall be deemed present and in attendance for all purposes at such meeting, provided all persons participating in the meeting can hear each other.

3.12. Open Meetings. All Board meetings shall be open to all Association members, but members other than directors may not participate in any discussion or deliberation unless expressly authorized by the Board. Notwithstanding the above, the Board may adjourn a meeting and reconvene in executive session to discuss and vote upon personnel matters, delinquent assessments, litigation in which the Association is or may become involved, and orders of business of a similar nature. The nature of any and all business to be considered in executive session shall first be announced in open session.

3.13. Action Without a Meeting. Any Board action required or permitted to be taken at any meeting may be taken without a meeting if a majority of the directors consent in writing to such action. The written consents must describe the action taken. The written consents shall be filed with the minutes of the Board. The written consent may be by email or other electronic means; a copy of the consents shall be printed and filed with the minutes of the Board.

3.14. Powers and Duties. The Board shall manage the affairs of the Association and shall have all the powers and duties necessary for the administration of the Community and may do all such acts and things as are not by the Act, the Declaration, the Articles of

(a) preparation and adoption of an annual budget(s), in which there shall be established the contribution of Owners to the Common Expenses and Townhouse Lot expenses pursuant to the terms of the Declaration;

(b) making assessments to defray the Common Expenses and Townhouse Lot expenses, establishing the means and methods of collecting such assessments;

(c) providing for the operation, care, upkeep, and maintenance of all portions of the Community for which the Association is assigned maintenance responsibility under the Declaration;

(d) designating, hiring, and dismissing the personnel necessary for the operation of the Association and the maintenance, repair and replacement of all portions of the Community for which the Association is assigned maintenance responsibility under the Declaration, and, where appropriate, providing for the compensation of such personnel and for the purchase of equipment, supplies and material to be used by such personnel in the performance of their duties;

(e) collecting the assessments, depositing the proceeds thereof in a financial depository or institution which it shall approve, or otherwise investing the proceeds in accordance with any limitations set forth in O.C.G.A. Section 14-3-302, and using the proceeds to administer the Association;

(f) making and amending rules and regulations for the Community and imposing sanctions for violation thereof, including reasonable monetary fines;

(g) opening of bank or other financial accounts on behalf of the Association and designating the signatories required;

(h) making or contracting for the making of repairs, additions and improvements to, or alterations of, the Common Property after damage or destruction by fire or other casualty, in accordance with the other provisions of the Declaration and these Bylaws;

(i) enforcing by legal means the provisions of the Declaration, these Bylaws, and the rules and regulations adopted by it, and bringing any proceedings which may be instituted on behalf of or against the Owners concerning the Association;

(j) obtaining and carrying insurance against casualties and liabilities, as provided in the Declaration, and paying the premium cost thereof;

(k) paying the costs of all services rendered to the Association or its members and not directly chargeable to specific Owners;

(l) keeping books with detailed accounts of the receipts and expenditures affecting the Association and its administration, specifying the maintenance and repair expenses and any other expenses incurred;

(m) entering into easement and cost-sharing agreement with other Persons that benefit and/or burden the Community pursuant to such terms as the Board deems reasonable; and

(p) contracting with any Person for the performance of various duties and functions. The Board shall have the power to enter into management agreements. Any and all functions of the Association shall be fully transferable by the Board, in whole or in part, to any other entity.

3.15. Management Agent. The Association may, but shall not be required to, hire a professional management agent or agents, at a compensation established by the Board, to perform such duties and services as the Board of Directors shall authorize.

3.16. Borrowing. The Board shall have the power to borrow money for the purpose of maintenance, repair, restoration or improvement to the Common Property or for any other purpose; provided, however, if the total amount of such borrowing exceeds or would exceed Fifty Thousand Dollars (\$50,000.00) of outstanding debt at any one time, such borrowing must first be approved by members of the Association holding a majority of the total Association vote; provided further, however, the Board shall be authorized to borrow money from the Declarant as provided in Article VII, Section 7.10 of the Declaration without the approval of the members of the Association.

3.17. Liability and Indemnification of Officers and Directors. The Association shall indemnify every officer and director against any and all expenses, including, without limitation, attorney's fees, imposed upon or reasonably incurred by any officer or director in connection with any action, suit, or other proceeding (including settlement of any suit or proceeding, if approved by the then Board of Directors) to which such officer or director may be a party by reason of being or having been an officer or director. The officers and directors shall not be liable for any mistake of judgment, negligent or otherwise, except for their own individual willful misfeasance, malfeasance, misconduct, or bad faith. The officers and directors shall have no personal liability with respect to any contract or other commitment made by them, in good faith, on behalf of the Association, and the Association shall indemnify and forever hold each such officer and director free and harmless against any and all liability to others on account of any such contract or commitment. Any right to indemnification provided for herein shall not be exclusive of any other rights to which any officer or director, or former officer or director, may be entitled. The Association shall maintain adequate general liability and officers' and directors' liability insurance to fund this obligation, if such coverage is reasonably available.

ARTICLE IV. OFFICERS

4.1. Designation. The principal officers of the Association shall be the President, Vice President, Secretary, and Treasurer. The President, Vice President and Secretary must be directors. The Treasurer shall be elected by the Board, but need not be a director. The Board may appoint one or more Assistant Treasurers, Assistant Secretaries, and such other subordinate officers as in its judgment may be necessary. Any assistant or subordinate officers shall not be required to be directors. Except for the offices of Secretary and Treasurer and all offices appointed by Declarant, which may be held by the same person, no person may hold more than one (1) office.

4.2. Appointment of Officers. WITNESSETH:

WHEREAS, Dobbs Road Development, LLC, a Georgia limited liability company (hereafter referred to as the "Declarant"), recorded that certain Declaration of Covenants, Conditions, Restrictions and Easements for Ruisseau on June 27, 2022, in Deed Book 14803, Page 2148 *et. seq.* of the Cherokee County, Georgia deed records (hereafter referred to as the "Declaration");

WHEREAS, pursuant to Article XVIII, Section 18.2 of the Declaration, Until sixty (60) days following the date on which one hundred percent (100%) of the Lots shown on the final recorded plat or plats for the Community have been issued a certificate of occupancy and have been conveyed to any Person not constituting the Declarant or a Builder for residential use, Declarant shall have the unilateral right to amend the Declaration from time to time without the approval of the Association members;

1.

Article X, Section 10.2(b) of the Declaration is amended by striking same in its entirety and substituting the following therefor:

(b) Leasing Permits. In order to be qualified to obtain a Leasing Permit, the Lot Owner shall have occupied the home on the Lot as the Lot owner's primary residence for a period of at least twelve (12) consecutive months. Such consecutive occupancy means the normal habitation of a home by a homeowner, including where the homeowner primarily keeps personal possessions (e.g., clothing and furniture) and where the homeowner returns from vacation. The purpose of this provision is to discourage the purchase of Lots for the purpose of renting the Lot as an investment property.

A qualified Owner's request for a Leasing Permit shall be approved if current, outstanding Leasing Permits have not been issued for more than ten percent (10%) of the Lots within the Community. A Leasing Permit shall be automatically revoked upon the happening of any of the following events: (1) the sale, foreclosure, or transfer of the Lot (excluding sales or transfers to an Owner's spouse, a person cohabitating with the Owner, or a corporation, partnership, company, or legal entity in which the Owner is a principal); (2) the failure of a Lot Owner to lease his or her Lot within six months of the Leasing Permit having been issued; (3) the failure of a Lot Owner to have his or her Lot leased for any consecutive six month period thereafter; or (4) the occurrence of the date referenced in a written notification by the Owner to the Association that the Owner will, as of said date, no longer need the Leasing Permit.

If current Leasing Permits have been issued for ten percent (10%) of the Lots in the Community, no additional Leasing Permits shall be issued until the number of outstanding current Leasing Permits falls below ten percent (10%) of the Lots in the Community. Owners who have been denied a Leasing Permit shall automatically be placed on a waiting list for a Leasing Permit and shall be issued a Leasing Permit if they so desire when the number of current outstanding Leasing Permits issued falls to less than ten percent (10%) of the Lots in the Community.
